Notice to Investors

Note 1:

1,642 accounts with an outstanding principal balance of \$40,313,085.23 did not have an installment payment scheduled for the current Collection Period.

Note 2:

In response to the COVID-19 (coronavirus) pandemic, the Servicer is taking steps to offer relief to customers impacted by the crisis. Such relief may take the form of deferrals of payment obligations, initially estimated not to exceed three months and currently extended to a maximum of five months, which will generally result in an extension of the term of the customer's contract by an equivalent number of months. The Servicer will not consider a customer's contract to be delinquent as a result of any such deferral. The Servicer is also implementing a phased resumption of collection activities, including repossessions, that have been temporarily curtailed in response to the COVID-19 pandemic. Additional relief may be offered to customers in affected areas in the future as the COVID-19 situation develops.
