Form 10-K for the Fiscal Year Ended December 31, 2018

Item 9A. Controls and Procedures

(c) Management's Annual Report on Internal Control Over Financial Reporting, page 116

1. We note your disclosure that the independent registered public accounting firm that audits your consolidated financial statements has audited the Company's internal control over financial reporting as of December 31, 2018 and expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting as of December 31, 2018. We also note that the audit report of Monroe Shine for the period ending December 31, 2018, states that it was not engaged to perform an audit of the Company's internal control over financial reporting and expresses no such opinion. Please revise to disclose that this annual report does not include an attestation report of the company's registered public accounting firm due to a transition period established by the rules of the Securities and Exchange Commission for newly public companies. Refer to Instruction 1 to Item 308 of Regulation S-K.
