Jameen is a Cincinnati, Ohio native. Growing up in a broken home, Jameen knows first hand about persevering through obstacles. As one who some considered a statistic, and an "at risk teen", he learned early to never give up. He went on to start a successful career in real estate at the tender age of 19.

Jameen has been a licensed Realtor and entrepreneur for over 13 years, with hundreds of satisfied clients. He is a entrepreneur at heart, with business interests in real estate, public speaking, and writing.

He found a passion for speaking and mentoring while serving 4 years as a Sunday school teacher and teen ministry leader. In October 2009, he started a young adults ministry called "The Gap" Ministries, that focused on reaching the 18-35 age group.

Jameen is a cutting edge public speaker. As a Cincinnati Youth Collaborative Mentor, he started a group mentoring program called Tomorrow's Kings, for at risk boys in grades 4-6. He regularly speaks at programs, conferences, and seminars throughout the year. He is a passionate teacher at heart, that loves to help others obtain their goals and maximize their potential.

Jameen was hired by my church to sell a property in a short amount of time. He worked quickly and expertly and had our property sold expeditiously and with no trouble. We told him what we were looking for, he gave us his recommendations, we came up with a game plan and he executed it perfectly. I would recommend him for all your real estate needs.
