Assignment of Interests

Except as otherwise provided in this Agreement, no voting eligible Member or other person holding any interest in the Company may assign, pledge, hypothecate, transfer or otherwise dispose of all or any part of their interest in the Company, including without limitation, the capital, profits or distributions of the Company without the prior written consent of the other voting eligible Members in each instance.

A Member may assign all or any part of such Member's interest in the allocations and distributions of the Company to any of the following (collectively the "permitted assignees"): any person, corporation, partnership or other entity as to which the Company has given consent to the assignment of such interest in the allocations and distributions of the Company by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests. An assignment to a permitted assignee shall only entitle the permitted assignee to the allocations and distributions to which the assigned interest is entitled, unless such permitted assignee applies for admission to

the Company and is admitted to the Company as a Member in accordance with this Agreement.

An assignment, pledge, hypothecation, transfer or other disposition of all or any part of the interest of a Member in the Company or other person holding any interest in the Company in violation of the provisions hereof shall be null and void for all purposes. No assignment, transfer or other disposition of all or any part of the interest of any Member permitted under this Agreement shall be binding upon the Company unless and until a duly executed and acknowledged counterpart of such assignment or instrument of transfer, in form and substance satisfactory to the Company, has been delivered to the Company.

No assignment or other disposition of any interest of any Member may be made if such assignment or disposition, alone or when combine with other transactions, would result in the termination of the Company within the meaning of Section 708 of the Internal Revenue Code or under any other relevant section of the Code or any successor statute.

No assignment or other disposition of any interest of any Member may be made without an opinion of counsel satisfactory to the Company that such assignment or disposition is subject to an effective registration under, or exempt from the registration requirements of, the applicable Federal and State securities laws. No interest in the Company may be assigned or given to any person below the age of 21 years or to a person who has been adjudged to be insane or incompetent.

Anything herein contained to the contrary, the Company shall be entitled to treat the record holder of the interest of a Member as the absolute owner thereof, and shall incur no liability by reason of distributions made in good faith to such record holder, unless and until there has been delivered to the Company the assignment or other instrument of transfer and such other evidence as may be reasonably required by the Company to establish to the satisfaction of the Company that an interest has been assigned or transferred in accordance with this Agreement.

Right of First Refusal

All members are free to sell, transfer or otherwise dispose of all or any part of their interest in the Company at any time, as permitted by applicable state and federal securities laws.

If a managing Member desires to sell, transfer or otherwise dispose of all or any part of their interest in the Company, such Member (the "Selling Member") shall first offer to sell and convey such interest to the other Members before selling, transferring or otherwise disposing of such interest to any other person, corporation or other entity. Such offer shall be in writing, shall be given to every other Member, and shall set forth the interest to be sold, the purchase price to be paid, the date on which the closing is to take place (which date shall be not less than thirty nor more than sixty days after the delivery of the offer), the location at which the closing is to take place, and all other material terms and conditions of the sale, transfer or other disposition.

Within fifteen days after the delivery of said offer the other Members shall deliver to the Selling Member a written notice either accepting or rejecting the offer. Failure to deliver said notice within said fifteen days conclusively shall be deemed a rejection of the offer. Any or all of the other Members may elect to accept the offer, and if more than one of

the other Members elects to accept the offer, the interest being sold and the purchase price therefore shall be allocated among the Members so accepting the offer in proportion to their Members' Percentage Interests, unless they otherwise agree in writing.

If any or all of the other Members elect to accept the offer, then the closing of title shall be held in accordance with the offer and the Selling Member shall deliver to the other Members who have accepted the offer an assignment of the interest being sold by the Selling Member, and said other Members shall pay the purchase price prescribed in the offer.

If no other Member accepts the offer, or if the Members who have accepted such offer default in their obligations to purchase the interest, then the Selling Member within 120 days after the delivery of the offer may sell such interest to any other person or entity at a purchase price which is not less than the purchase price prescribed in the offer and upon the terms and conditions which are substantially the same as the terms and conditions set forth in the offer, provided all other applicable requirements of this Agreement are complied with. An assignment of such interest to a person or entity who is not a Member of the Company shall only entitle such person or entity to the allocations and distributions to which the assigned interest is entitled, unless such person or entity applies for admission to the Company and is admitted to the Company as a Member in accordance with this Agreement.

If the Selling Member does not sell such interest within said 120 days, then the Selling Member may not thereafter sell such interest without again offering such interest to the other Members in accordance with this Agreement.

Admission of New Members

At all times the Company has made available stock for public purchase, buyers may become members of the Company buying the posted minimum offering shares. Otherwise, the Company may admit new Members (or transferees of any interests of existing Members) into the Company by the unanimous vote or consent of the Members.

As a condition to the admission of a new Member, such Member shall execute and acknowledge such instruments, in form and substance satisfactory to the Company, as the Company may deem necessary or desirable to effectuate such admission and to confirm the agreement of such Member to be bound by all of the terms, covenants and conditions of this Agreement, as the same may have been amended. Such new Member shall pay all reasonable expenses in connection with such admission, including without limitation, reasonable attorneys' fees and the cost of the preparation, filing or publication of any amendment to this Agreement or the Articles of Organization, which the Company may deem necessary or desirable in connection with such admission.

No new Member shall be entitled to any retroactive allocation of income, losses, or expense deductions of the Company. The Company may make pro rata allocations of income, losses or expense deductions to a new Member for that portion of the tax year in which the Member was admitted in accordance with Section 706(d) of the Internal Revenue Code and regulations there under.

In no event shall a new Member be admitted to the Company if such admission would be in violation of applicable Federal or State securities laws or would adversely affect the treatment of the Company as a partnership for income tax purposes.

Withdrawal Events

In the event of the death, retirement, withdrawal, expulsion, or dissolution of a voting eligible Member, or an event of bankruptcy or insolvency, as hereinafter defined, with respect to a Member, or the occurrence of any other event which terminates the continued membership of a Member in the Company pursuant to the Statutes (each of the foregoing being hereinafter referred to as a "Withdrawal Event"), the Company shall terminate sixty days after notice to the Members of such withdrawal Event unless the business of the Company is continued as hereinafter provided.

Notwithstanding a Withdrawal Event with respect to a Member, the Company shall not terminate, irrespective of applicable law, if within aforesaid sixty day period the remaining voting eligible Members, by the unanimous vote or consent of the Members (other than the Member who caused the Withdrawal Event), shall elect to continue the business of the Company.

In the event of a Withdrawal Event with respect to an Member, any successor in interest to such Member (including without limitation any executor, administrator, heir, committee, guardian, or other representative or successor) shall not become entitled to any rights or interests of such Member in the Company, other than the allocations and distributions to which such Member is entitled, unless such successor in interest is admitted as a Member in accordance with this Agreement.

An "event of bankruptcy or insolvency" with respect to a Member shall occur if such Member: (1) applies for or consents to the appointment of a receiver, trustee or liquidator of all or a substantial part of their assets; or (2) makes a general assignment for the benefit of creditors; or (3) is adjudicated a bankrupt or an insolvent; or (4) files a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or to take advantage of any bankruptcy, insolvency, readjustment of debt or similar law or statute, or an answer admitting the material allegations of a petition filed against them in any bankruptcy, insolvency, readjustment of debt or similar proceedings; or (5) takes any action for the purpose of effecting any of the foregoing; or (6) an order, judgment or decree shall be entered, with or without the application, approval or consent of such Member, by any court of competent jurisdiction, approving a petition for or appointing a receiver or trustee of all or a substantial part of the assets of such Member, and such order, judgment or decree shall be entered, with or without the application, approval or consent of such Member, by any court of competent jurisdiction, approving a petition for or appointing a receiver or trustee of all or a substantial part of the assets of such Member, and such order, judgment or decree shall continue unstayed and in effect for thirty days.

10. Dissolution and Liquidation

The Company shall terminate upon the occurrence of any of the following : (i) the election by the Members to dissolve the Company made by the unanimous vote or consent of the voting eligible Members; (ii) the occurrence of a Withdrawal Event with respect to a Member and the failure of the remaining Members to elect to continue the business of the Company as provided for in this Agreement above; or (iii) any other

event which pursuant to this Agreement, as the same may hereafter be amended, shall cause a termination of the Company.

The liquidation of the Company shall be conducted and supervised by a person designated for such purposes by the affirmative vote or consent of voting eligible Members holding a majority of the Members' Percentage Interests (the "Liquidating Agent"). The Liquidating Agent hereby is authorized and empowered to execute any and all documents and to take any and all actions necessary or desirable to effectuate the dissolution and liquidation of the Company in accordance with this Agreement.

Promptly after the termination of the Company, the Liquidating Agent shall cause to be prepared and furnished to the Members a statement setting forth the assets and liabilities of the Company as of the date of termination. The Liquidating Agent, to the extent practicable, shall liquidate the assets of the Company as promptly as possible, but in an orderly and business like manner so as not to involve undue sacrifice.

The proceeds of sale and all other assets of the Company shall be applied and distributed in the following order of priority: (1) to the payment of the expenses of liquidation and the debts and liabilities of the Company, other than debts and liabilities to Members; (2) to the payment of debts and liabilities to Members; (3) to the setting up of any reserves which the Liquidating Agent may deem necessary or desirable for any contingent or unforeseen liabilities or obligations of the Company, which reserves shall be paid over to licensed attorney to hold in escrow for a period of two years for the purpose of payment of any liabilities and obligations, at the expiration of which period the balance of such reserves shall be distributed as provided; (4) to the Members in proportion to their respective capital accounts until each Member has received cash distributions equal to any positive balance in their capital account, in accordance with the rules and requirements of Treas. Reg. Section 1.704-1(b)(2)(ii)(b); and (5) to the Members in proportion to the Members' Percentage Interests.

The liquidation shall be complete within the period required by Treas. Reg. Section 1.704- 1(b)(2)(ii)(b).

16. Indemnification

The Company, its receivers, trustees, successors, assignees and/or transferees shall indemnify, defend and hold the Member harmless from and against any and all liabilities, damages, losses, costs and expenses of any nature whatsoever, known or unknown, liquidated or un-liquidated, that are incurred by the Member (including amounts paid in satisfaction of judgments, in settlement of any action, suit, demand, investigation, claim or proceeding ("Claim"), as fines or penalties) and from and against all legal or other such costs as well as the expenses of investigating or defending against any Claim or threatened or anticipated Claim arising out of, connected with or relating to this Agreement, the Company or its business affairs in any way; provided, that the conduct of the Member which gave rise to the action against the Member is indemnifiable under the standards set forth herein.

Upon application, the Member shall be entitled to receive advances to cover the costs of defending or settling any Claim or any threatened or anticipated Claim against the Member that may be subject to indemnification hereunder upon receipt by the Company of any undertaking by or on behalf of the Member to repay such advances to the Company, without interest, if the Member is Judicially Determined not to be entitled to indemnification as set forth herein.

All rights of the Member to indemnification under this Agreement shall (i) be cumulative of, and in addition to, any right to which the Member may be entitled to by contract or as a matter of law or equity, and (ii) survive the dissolution, liquidation or termination of the Company as well as the death, removal, incompetency or insolvency of the Member.

The termination of any Claim or threatened Claim against the Member by judgment, order, settlement or upon a plea of *nolo contendere* or its equivalent shall not, of itself, cause the Member not to be entitled to indemnification as provided herein unless and until Judicially Determined to not be so entitled.
