HOOPOE CAPITAL MARKETS, LLC
NOTES TO STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2021

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Hoopoe Capital Markets, LLC (the "Company") is a Delaware Limited Liability Company formed on March 14, 2018, and was approved by the Securities and Exchange Commission ("SEC") on December 20, 2018 (date of registration) for the purpose of conducting business as a broker-dealer registered with the Financial Industry Regulatory Authority ("FINRA") and the SEC. The Company also represents corporate and private clients in a broad range of transactions, including: private placement; as a broker retailing corporate equity and debt securities, U.S. government securities, municipal securities including 529 plans, non-traded real estate investment trusts (REITs); mutual funds; and as a broker selling variable life insurance or annuities. The Company transacts its business with customers located in California, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania and Texas. The Company as a non-clearing broker does not handle any customer funds or securities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"). This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For the purpose of reporting cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. At December 31, 2022, cash and cash equivalents consists primarily of an interest-bearing checking account.

The Company maintains a cash bank deposit account with a financial institution in Massachusetts. At December 31, 2022, the Company's cash exceeds the Federal Deposit Insurance Corporation ("FDIC") limit of \$250,000.

SIGNIFICANT JUDGMENTS

Revenue from contracts with customers includes commission income and fees from private placements. The recognition and measurement of revenue is based on the assessment of individual contract items. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable considerations should be applied due to uncertain future events. If the revenue, in our judgment, does not meet the criteria for inclusion in income, then the revenue would be recorded as deferred revenue.

The Company had no contract assets at January 1, 2022 and December 31, 2022. The Company had deferred revenue of \$5,307 and \$3,949 at January 1, 2022 and December 31, 2022, respectively.

MEASUREMENT OF CREDIT LOSSES ON FINANCIAL INSTRUMENTS

Effective January 1, 2020, the Company adopted ASC Topic 326, Financial Instruments – Credit Losses ("ASC 326"). ASC 326 impacts the impairment model for certain financial assets measured at amortized

cost by requiring a current expected credit loss ("CECL") methodology to estimate expected credit losses over the entire life of the financial asset, recorded at inception or purchase. The Company records the estimate of expected credit losses as an allowance for credit losses. For financial assets measured at an amortized cost basis, the allowance for credit losses is reported as a valuation account on the statement of financial condition that is deducted from the asset's amortized cost basis.

The Company identified receivables, including its clearing deposit, from its clearing broker (\$50,000 balance at both January 1, 2022 and December 31, 2022) and receivable from non-customers (\$12,522 and \$20,796 as of January 1, 2022 and December 31, 2022, respectively) as impacted by the above guidance. As a non-clearing broker, the Company has its customers' transactions cleared through the executing broker or other broker-dealers pursuant to clearance agreements. The Company's receivables from broker-dealers and clearing organizations may include commissions receivable from settled and unsettled trades, accrued interest receivables and cash deposits. For commissions receivable from trades settled pursuant to clearance agreements, the amount of unsettled credit exposures is limited to the amount owed the Company for a very short period of time as the trades are settled daily between the clearing organization and the Company's customers. The Company proactively monitors the settlement activity between the clearing organization and its customers and reviews the credit quality of its counterparties.

At December 31, 2022, the Company has balances of \$0 of receivables from customer contracts, \$20,796 of receivables from non-customers and a \$50,000 cash deposit with its clearing broker in connection with their clearing agreement. The Company's CECL allowance at January 1, 2022 and December 31, 2022 was zero.

INCOME TAXES

The Company is a single member limited liability company under the provisions of the Internal Revenue Code. Under these provisions, the Company's net income or loss is reported directly on the individual tax return of the member. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

At December 31, 2022, management of the Company did not identify any uncertain tax positions taken or expected to be taken in an income tax return which would require adjustment to or disclosure in its financial statements. The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the date on which those returns are filed.

NOTE 3 - EXEMPTION FROM RULE 15c3-3

The Company is exempt from the provisions of SEC Rule 15c3-3 pursuant to subparagraph (k)(2)(ii) of that rule. Therefore, the Computation for Determination of the Reserve Requirements under Exhibit A of Rule 15c3-3 and the Information Relating to the Possession or Control Requirements under Rule 15c3-3 have not been provided.

NOTE 4 - NET CAPITAL REQUIREMENT

The Company, as a member of FINRA, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, as defined. At December 31, 2022 the Company had net capital of \$476,863 which was \$471,863 in excess of its minimum net capital of \$5,000.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

The nature of the Company's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such actions against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company. As of December 31, 2022, there are no outstanding issues as a result of these examinations that could have a material impact to the financial statements.

NOTE 6 - CLEARING ARRANGEMENTS

The Company entered into a clearing agreement with RBC Capital Markets LLC ("Clearing Broker") on December 14, 2018 to provide executions and clearing services on behalf of its customers on a fully disclosed basis. All customer records and accounts are maintained by the Clearing Broker. Pursuant to the Clearing Agreement, the Company is required to maintain a deposit of \$50,000 with the Clearing Broker.

NOTE 7 - RELATED PARTY TRANSACTIONS

The Company maintains an expense sharing agreement with Hoopoe Advisors ("HA") pursuant to SEC rule 17a-3 and 17a-4. Pursuant to the agreement the Company is not obligated to pay its affiliate for services described in the expense sharing agreement paid by its affiliate. As per the agreement, HA maintains a schedule of these expenses as per the requirements of the SEC and FINRA. The Company's expense sharing agreement includes services for utilities, telephone services, internet services and typical office facilities expense.

NOTE 8 - RISKS AND UNCERTAINTIES

During the 2021 calendar year, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern". The impact on financial markets and the overall economy, including an extended period of inflation, all of which are highly uncertain, cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Company's results may be materially affected. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 9 - SUBSEQUENT EVENTS

Management has considered subsequent events reviewed through February 27, 2023. There were no subsequent events that required recognition or disclosure.
