Greater Los Angeles Area

SLRRRP is an alcohol-innovations brand that focuses on the Ready-To-Drink market. SLRRRP's flagship product is a vodka shot with a proprietary, vegetarian-friendly, gelatin blend that is an easy all-in-one shot that is both convenient and delicious. The company urges all adult consumers to sell, serve and enjoy SLRRRP shots responsibly.

Solana Beach

Bali is a brand of 100% pure mangosteen fruit juice. Based in California, the founding team has spent two years developing the first retail-ready mangosteen juice.

Mangosteen is a rare super fruit that comes primarily from South East Asia. It is one of the few fruits to contain Xanthones (a powerful anti-oxidant) and there are many beliefs of the health and healing benefits that date back centuries.
