How much can I invest?

An investor is limited in the amount that he or she may invest in a Regulation Crowdfunding Offering during any 12-month period:

If either the annual income or the net worth of the investor is less than \$100,000, the investor is limited to the greater of \$2,000 or 5% of the lesser of his or her annual income or net worth.

If the annual income and net worth of the investor are both greater than \$100,000, the investor is limited to 10% of the lesser of his or her annual income or net worth, to a maximum of \$100,000. Separately, the Company has set a minimum investment amount.

How can I (or the Company) cancel my investment?

For Offerings made under Regulation Crowdfunding, you may cancel your investment at any time up to 48 hours before a closing occurs or an earlier date set by the Company. You will be sent a reminder notification approximately five days before the closing or set date giving you an opportunity to cancel your investment if you had not already done so. Once a closing occurs, and if you have not cancelled your investment, you will receive an email notifying you that your Securities have been issued. If you have already funded your investment, let Slice Capital know by emailing info@slicecapital.com. Please include your name, the Company's name, the amount, the investment number, and the date you made your investment.

After my investment, what is my ongoing relationship with the Company?

You are an investor in the Company, you do own securities after all! But more importantly, companies that have raised money via Regulation Crowdfunding must file information with the SEC and post it on their website on an annual basis. Receiving regular company updates is important to keep investors educated and informed about the progress of the Company and their investments. This annual report includes information similar to the Company's initial Form C filing and key information that a company will want to share with its investors to foster a dynamic and healthy relationship.

In certain circumstances a company may terminate its ongoing reporting requirements if:

1. The Company becomes a fully-reporting registrant with the SEC
2. The Company has filed at least one annual report, but has no more than 300 shareholders of record
3. The Company has filed at least three annual reports, and has no more than \$10 million in assets
4. The Company or another party repurchases or purchases all the Securities sold in reliance on Section 4(a)(6) of the Securities Act
5. The Company ceases to do business
