Experience

Kare Mobile Inc
22 yrs 8 mos

Founder & CEO

Full-time

May 2017 – Present · 4 yrs 10 mos
Louisville, Kentucky

Kare Mobile enables turnkey, mobile concierge dentistry through its network of dentist and hygienist licensees across the United States. Our affordable startup program helps new practices launch affordably and quickly, and our robust dental support services help to ensure they operate efficiently and profitably. Most importantly, Kare patients receive comprehensive, safe and ultra convenient treatment. We are not only disrupting the dental industry, but are also improving access to dental care for millions of Americans!

Kare Mobile

dentist

Volunteer experience

President

Kentucky Dental Society

Health

The Kentucky Dental Society is a chapter of The National Dental Association promotes oral health equity among people of color by harnessing the collective power of its members, advocating for the needs of and mentoring dental students of color, and raising the profile of the profession in our communities. <https://ndaonline.org/>

President

American Mobile and Teledentistry Dentistry Alliance

Health

The American Mobile & Teledentistry Alliance is the leading resource for dental organizations, professionals, and affiliated partners. Centered around the four core pillars of dialogue, support, collaborate, and lead, the mission of the alliance is to:

Enable a community of critical thought and discussion

Promote and support common initiatives

Facilitate strategic partnerships

Empower the mobile professional
