 **Alvaro Insausti**
Field Sales Representative at KIND
November 25, 2016, Yannis was senior to Alvaro but didn't manage directly

I enjoyed very much working with Alvaro. He is a phenomenal team member, always putting the company's interests first, with his hard working ethics and reliable support. Alvaro's hard work, good spirits and professional reliability was instrumental in our growth, and furthermore, his persona and character is a precious commodity in today's labor force. I am highly confident that Alvaro will have a successful professional life and encourage anyone considering Alvaro to join their team.
