Our Approach

Identifying opportunity by leveraging the Wisdom of the Crowd

All of our products are conceived and crafted with a single commonality: the firm belief that by tapping into the collective knowledge of our Management Team, Accredited Investors, Service Providers and Members, we can create successful solutions for startups and investors.

Wisdom of the Crowd

The Wisdom of the Crowd is the collective opinion of a group of qualified individuals, rather than that of a single expert.

Our Objective

Create fast, scalable, crowd-driven, seed funding solutions, leveraging the expertise and knowledge of a group or crowd.

Our Areas Of Specialty

FinTech, Entrepreneurship, Startups, Early Stage, Technology, Financial Services, Technology-driven Solutions, Seed Funding, Investing, Crowd-driven, and Community.

Our Products

(INTRODUCING)

WeSeedFund

The technology platform for matching businesses with investors

What if thousands of professionals and investors with varying backgrounds were used to rate startups, rather than relying on one person to make the choice? CWT believes by using the Wisdom of the Crowd the firm can provide greater access to quality deal flow and better returns. The "Crowd," which makes the selections, comprises members, service providers, investors, and end-users.

Meet Entrepreneurs & Businesses

Valuable introductions that take you outside your existing network.

Buy Shares In The Companies Of The Future

Invest early in some of the most promising companies across the brightest business minds of the future.

Monitor & Follow Your Investments

Monitor your investments, and add new ones quickly & effortlessly.

DISCLOSURE

The company is "testing the waters" under Regulation D under the Securities Act of 1933. This section offers companies an alternative whether there may be interest in an eventual offering of its securities. The company is not under any obligation to make an offering under regulation or it may choose to make an offering to some, but not all, of the people who indicate an interest in investing, and that offering might not be made under Regulation A. If the company does go ahead with an offering, it still may be able to make sales after it has filed an offering statement with the Securities and Exchange Commission (SEC) and that SEC has "qualified" the offering statement. The information in that offering statement will be more complete than the information the company is providing now, and could differ in important ways. You could read the documents filed with the SEC before investing.

We intend, as above considerations is being extended, and if it and an investor, will not be accepted.

No offer to buy the securities can be accepted and no part of the purchase price can be received until the offering statement filed by the company with the SEC has been qualified by the SEC. Any such offer may be withdrawn or revoked, without obligation or commitment of any kind, at any time before notice of acceptance given after the date of qualification.

No indication of interest in response to solicitation or commitment of any kind.

An offering statement regarding this offering has been filed with the SEC. [illegible]

You should read the offering circular before making any investment.
