Amendment No. 2 to Draft Registration Statement on Form F-1

Prospectus Summary

Our Challenges, page 7

1. We note that your revision in response to comment 2 implies that you are already in compliance with the rules and regulations for the online consumer finance industry in

China (*i.e.* "stay in compliance"). However, this conflicts with disclosure elsewhere that you are still adjusting your business model in response to new legal requirements and are not yet fully compliant with the requirements of relevant PRC laws and regulations. Please revise to address this apparent discrepancy. Furthermore, please revise your prospectus summary to disclose the material ways in which your operations are not currently in compliance with these regulations (*e.g.* the number of funding partners that have not adopted your new payment flow model and the proportion of your lending that this represents) and all potential material penalties for noncompliance (*e.g.* maximum fines or penalties and whether these may be aggregated if assessed on a per loan basis). Finally, please also disclose whether or not you may face penalties for past noncompliance even if you are successful in fully reforming your operations.

Management's Discussion and Analysis of Financial Condition and Results of Operations
Non-GAAP Measures, page 99

2. We note your Non-GAAP reconciliation for Adjusted Net Loss. Please revise your disclosures, here and elsewhere throughout the registration statement (*e.g.*, pages 19, 89), to show the tax effect of the corresponding adjustment as a separate line item. Refer to Non-GAAP C&DI Question 102.11.

Description of American Depositary Shares

Limitations on Obligations and Liability to ADS Holders

Limits on our obligations and the obligations of the depositary; limits on liability to ADR holders and holders of ADSs, page 188

3. We note your response to comment 8. Please revise your disclosure on page 190 to address whether the waiver of a trial by jury in the deposit agreement applies to claims under the federal securities laws. If the waiver applies to claims under the federal securities laws, please further disclose here and in your risk factors how the waiver impacts ADS holders and address any questions as to the enforceability of this provision. Moreover, please disclose in both your registration statement and the depositary agreement that despite agreeing to the a provision, investors will not be deemed to have waived the company's or the depositary's compliance with the federal securities laws and the rules and regulations thereunder.
