Revised Preliminary Proxy Statement on Schedule 14A

Summary of the Proxy Statement

Parties to the Business Combination, page 15

1. We note the diagrams that you provide in response to prior comment 6. Please enhance your disclosure regarding the structure of Successor following the business combination by disclosing the anticipated percentage of the outstanding common stock of Successor owned by each of the depicted stockholders assuming no redemptions and maximum redemptions allowed under the merger agreement. Also, provide a cross-reference to the risk factors on pages 44 and 45 discussing the risks posed by the significant percentage of outstanding voting power held by the Sponsor and existing Grid Dynamics stockholders, as well as the operation of the Stockholders' Agreement, following the business combination.

2. We note from your response to prior comment 9 that Grid Dynamics' contracts are mostly short-term time and materials contracts and that you do not systematically track a backlog metric in managing the business. Please tell us the range or average contract term for Grid Dynamics contracts and your estimate of backlog as of December 31, 2018.

Overview, page 151

3. We note your revised disclosure in response to prior comment 23. The added disclosure regarding the range of net income as a percentage of revenues is not on a comparable basis to your disclosure, which indicates that Adjusted EBITDA is improving. Please revise to discuss the fluctuations or trends in net income during these periods or discuss the fluctuations in Adjusted EBITDA as a percentage of revenues in lieu of your current disclosures. In addition, your discussion of GAAP net income should precede the disclosures regarding Adjusted EBITDA. Refer to Question 102.10 of the Non-GAAP Compliance and Disclosure Interpretations.

Description of Successor Securities

4. The revised disclosure that you provide here in response to prior comment 27 refers to a state or federal court located within the State of Delaware as the exclusive forum, whereas the risk factor that you provide on page 52 in response to such comment refers to the Court of Chancery of the State of Delaware as the exclusive forum. Please revise to reconcile the disclosure.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Joyce Sweeney, Staff Accountant, at (202) 551-3449 or Kathleen Collins, Accounting Branch Chief, at (202) 551-3499 if you have questions regarding comments on the financial statements and related matters.
