Dwayne Ingram

Board Director, CEO, President, COO, Strategist, Executive Consultant, M&A,

able, with a "no-nonsense" approach to getting work completed. He always went the extra mile to ensure that the company's success was achieved. Any company would be privileged to have Dwayne as one of its executives.

Kate Pedrick
Creative Services leader
September 13, 2011, Kate worked with Andrea in the same group

I had the privilege of working with Kate as her finance partner while she was VP of creative services at hsn. I found Kate to be one of the few people who understood TV shopping while successfully bridging the qualitative flair (creative aspect) and the quantitative side of the business (budgeting/finance) effortlessly. She partnered well with various groups of the business, always mindful of the her budgetary targets and tasks on hand! She is a well rounded executive and great leader, focused with a can-do attitude ... she is an asset to any group.
