Note 1 - Nature of Business and Summary of Significant Accounting Policies

Stella Partners LLC (the “Company”) was formed on May 17, 2018 and is organized as a limited liability company pursuant to the Limited Liability Company Act of the State of Delaware. There is one member of the Company. The Company was approved as a FINRA/SEC broker-dealer firm on January 11, 2019. As a registered securities broker-dealer, the Company provides investment banking and consulting services to closely held companies throughout the United States.

Aspects of the Limited Liability Company - As a limited liability company, the member’s liability is limited to the capital invested. Under the operating agreement, the Company has one class of member interest, and the member’s interest is in proportion to the number of equity units issued. Allocation of profit, losses, and distributions is in accordance with the terms as defined in the operating agreement. The Company shall continue in perpetuity unless sooner terminated as defined in the operating agreement.

Basis of Accounting - The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Income Taxes - The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable by, or provided for, the Company. The member is taxed individually on the Company’s earnings. Accordingly, the financial statements do not reflect a provision for income taxes.

Cash - The Company maintains its cash in a bank account, which at times may exceed federally insured limits. The Company has not experienced any losses in such account and believes it is not exposed to any significant credit risk on cash.

**Note 1 - Nature of Business and Summary of Significant Accounting
Policies (Continued)**

Revenue Recognition - Revenue from Contracts with Customers Standard (ASU 2014-09) core principle is that an entity should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 prescribes a five-step process to accomplish this core principle, including:

- Identification of the contract with the customer;
- Identification of the performance obligation(s) under the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the identified performance obligation(s); and
- Recognition of revenue as (or when) an entity satisfies the identified performance obligation(s).

Accounts Receivable – Accounts receivable are non-interest bearing uncollateralized obligations receivable in accordance with the terms agreed upon with each customer. The Company regularly reviews its accounts receivable for any uncollectible amounts. The review for uncollectible amounts is based on an analysis of the Company's collection experience, customer credit worthiness, and current economic trends.

Management Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Uniform Net Capital Rule

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The net capital rule may also effectively restrict the distribution of member's capital. As of March 31, 2022, the Company had net capital of \$689,603, of which \$684,603 was in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.05 to 1.0.

Note 3 - Related Party Transactions

The Company operates from the home office of the managing member of the Company under a no cost rent agreement. The managing member does not charge the Company for the home office space or utilities expenses paid by the managing member.

Note 4 - Contingencies

The Company is subject to litigation in the normal course of business. There was no litigation in progress as of March 31, 2022.

Note 5 - Subsequent Events

The Company has evaluated subsequent events through May 13, 2022 the date the financial statements were issued.

EXEMPTION REPORT

May 13, 2022

To Whom It May Concern:

We, as members of management of Stella Partners LLC (the "Company"), are responsible for complying with Rule 17a-5, "Reports to be made by certain brokers and dealers". We have performed an evaluation of the Company's compliance with the requirements of Rule 17a-5 and the exemption provisions in Rule 15c3-3(k) (the "exemption provisions") and of the 2013 Release adopting amendments to Rule 17a-5, including Footnote 74 of the 2013 Release.

We have determined that the Company does not meet any of the exemption conditions of paragraph (k) of Rule 15c3-3 (i.e., paragraph (k)(1), (k)(2)(i) or (k)(2)(ii)) but also (1) does not directly or indirectly receive, hold or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Exchange Act Rule 15c2-4 ("Rule 15c2-4"); (2) does not carry accounts of or for customers; and (3) does not carry PAB accounts (as defined in Rule 15c3-3) and therefore is covered by Footnote 74 of the 2013 Release.

Accordingly, based on our evaluation we make the following statements to the best knowledge and belief of the Company:

1. We reviewed the provisions of Rule 15c3-3 and related guidance stated in the SEC Staff's FAQ and confirmed that the Company relied on Footnote 74 of the 2013 Release.
2. The Company conducted business activities involving merger and acquisition advisory services activity throughout the year ended March 31, 2022 without exception.
3. The Company met the identified conditions for such reliance throughout the period April 1, 2021 through March 31, 2022 without exception.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Member of
Stella Partners LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Stella Partners LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3 and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to private placement of securities, including direct participation programs, and merger and acquisition advisory services. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Stella Partners LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Stella Partners LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
