Acervus Securities, Inc.

Statement of Financial Condition as of December 31, 2023 and Report of Independent Registered Public Accounting Firm

This report is deemed PUBLIC in accordance with Rule 17a-5e(3) under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder and Board of Directors
Acervus Securities, Inc.

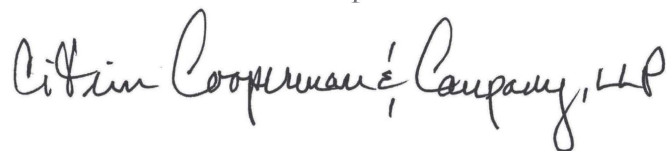

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Acervus Securities, Inc. as of December 31, 2023, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of Acervus Securities, Inc. as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Acervus Securities, Inc.'s management. Our responsibility is to express an opinion on Acervus Securities, Inc.'s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to Acervus Securities, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as Acervus Securities, Inc.'s auditor since 2023.

Note 1: GENERAL, SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND RECENT ACCOUNTING PRONOUNCEMENTS

General

Company Description

Acervus Securities, Inc. (the Company) was incorporated in Delaware on August 14, 2018 and is a wholly owned subsidiary of Addepar, Inc. (the Parent). The Company's business activities include referrals of investors to private placements, secondary trading of private securities and private funds, referring business/receive referrals from financial institutions, and providing investment analysis and customer due diligence services. The Company is registered with the Securities and Exchange Commission (SEC) as a broker-dealer under the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority (FINRA) and Securities Industry Protection Corporation (SIPC).

The Company does not maintain client accounts, nor does it hold customer funds or assets. It does not trade, position, make markets in, underwrite, or distribute any security or investment beyond the activities described above. The Company does not transact business in securities with, or for, customers, and does not carry margin accounts, credit balances or securities for any person defined as a "customer" pursuant to Rule 17a-5(c)(4).

Pursuant to Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. §240.17a-5 because the Company's business activities are limited to referrals of investors to private placements, secondary trading of private securities and private funds, referring business/receive referrals from financial institutions, and providing investment analysis and customer due diligence services and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception, the Company has no obligations under Rule 15c3-3.

Summary of Significant Accounting Policies

The Company follows Accounting Principles Generally Accepted in the United States of America (GAAP), as established by the Financial Accounting Standards Board (FASB), to ensure consistent reporting of financial condition, results of operations, and cash flows.

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosure of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents: The Company considers all highly liquid investments with an original maturity from the date of purchase of three months or less to be cash equivalents. As of December 31, 2023, cash and cash equivalents consist of cash deposited with banks and money market funds. The recorded carrying amount of cash equivalents, which is cost plus accrued interest, approximates fair value. The Company has determined that its investment in a money market account is a Level 1 investment in the fair value measurements hierarchy (see Note 2). The Company made this determination after considering that inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company can access.

Income taxes: FASB guidance recognizes the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not"

Acervus Securities, Inc.
Notes to the Financial Statements
As of and for the Year Ended December 31, 2023

of being sustained “when challenged” or “when examined” by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. Through December 31, 2023, management has determined that there are no material uncertain income tax positions.

Deferred tax assets and deferred tax liabilities are recognized for temporary differences between the financial reporting and tax bases of the Company’s assets and liabilities. Deferred taxes are measured to reflect the tax rates at which future taxable amounts will likely be settled or realized. The effects of tax rate changes on deferred tax assets and deferred tax liabilities, as well as other changes in income tax laws are recognized in the period during which such changes are enacted.

Valuation allowances are established when necessary to reduce deferred tax assets to an amount that in the opinion of management, is more likely than not to be realized.

Current Expected Credit Losses (“CECL”): In accordance with Accounting Standards Update (ASU) No. 2016-13, Current Expected Credit Losses (CECL), the Company uses an expected loss model for trade and other receivables. No reserve was necessary as of December 31, 2023.

Note 2: FAIR VALUE INSTRUMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The carrying amounts of cash, accounts receivable, accounts payable, and accrued expenses approximate their fair values because of the relatively short periods until they mature or are required to be settled.

Investments in money market funds constitute fair value instruments with Level 1 inputs.

Acervus Securities, Inc.
Notes to the Financial Statements
As of and for the Year Ended December 31, 2023

Note 3: RELATED PARTY TRANSACTIONS

The Company has entered into an expense sharing arrangement with Addepar, Inc., its Parent. The amount payable due to the Parent was \$2,299,459 as of December 31, 2023.

The Parent has adopted a stock option plan under which it grants to its employees, including those employees which are shared with the Company under the Services Agreement, options to purchase the Parent's stock. None of the option awards granted or the related expenses of the Parent are allocated to the Company as the parties to the Services Agreement agree that awards are granted for the individual's support of the Parent's long term strategic goals, profitability, and growth, regardless of the individual's role within the organization.

In 2023, the Company entered into an agreement with entities and clients owned by or affiliated with the Company's Board of Directors. The amount recorded in Accounts receivable section of the statement of financial condition at December 31, 2023 was \$298,750.

Note 4: COMMITMENTS, CONTINGENCIES AND IDEMNIFICATIONS

Legal Matters

In the normal course of business the Company may be subject to various regulatory matters, litigation, claims and regulatory examinations. It is the Company's policy to vigorously defend against these potential matters, and management believes that their ultimate outcome will not have a material effect on the Company's financial position, results of its operations or net cash flows. At December 31, 2023, there were no such matters outstanding.

In the normal course of business, the Company enters into contracts and agreements that contain a variety of representations and warranties that provide indemnifications under certain circumstances. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. Management of the Company expects the risk of any future obligation under these indemnifications to be remote.

Regulatory Matters

The Company operates as a SEC registered securities broker-dealer and Financial Industry Regulatory Authority ("FINRA") member. Accordingly, the Company is subject to periodic regulatory examinations and inspections. Compliance and private company transaction issues that are reported to regulators, such as FINRA and the SEC, by dissatisfied clients or others are investigated by such regulators, and may, if pursued, result in formal claims being filed against the Company by clients or disciplinary action being taken against the Company or its employees by regulators. Any such claims or disciplinary actions that are decided against the Company could have a material impact on the financial results of the Company. Management is not aware of any such claims or disciplinary actions as of December 31, 2023.

Note 5: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of \$1,841,796 which was \$1,654,317 in excess of its required net capital of \$187,479; and the Company's ratio of aggregate indebtedness to net capital was 1.53 to 1 ratio.

Acervus Securities, Inc.
Notes to the Financial Statements
As of and for the Year Ended December 31, 2023

Note 6: INCOME TAX

Management assesses the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. A significant piece of objective negative evidence evaluated was the cumulative loss incurred since inception through the year ended December 31, 2023. As a result of this negative evidence management has determined that a full valuation allowance on its federal and state deferred tax assets is appropriate. As a result of this valuation allowance the Company recorded no income tax expense or benefit for the year ended December 31, 2023:

	Current	Deferred	Total
Federal	\$ -	\$ -	\$ -
State and local	-	-	-
Total	\$ -	\$ -	\$ -

The components of the net deferred tax assets are approximately as follows as of December 31, 2023:

Net operating loss	\$ 4,789,411
Accrued Liabilities	22,658
Amortization	25,992
	<hr/>
Net deferred taxes	4,838,061
Less: valuation allowance	(4,575,021)
	<hr/>
Total net deferred tax assets	263,040
Total deferred tax liabilities	(263,040)
	<hr/>
Net deferred tax assets (liabilities)	\$ -

The valuation allowance increased by \$377,987 during 2023.

As of December 31, 2023, the Company had net operating losses carryforwards for federal purposes of approximately \$16,891,254, and net operating losses carryforwards for state tax purposes of approximately \$15,603,006. The federal net operating losses carryforward indefinitely while the state carryforwards will expire beginning in the years 2040, unless previously utilized.

Management has determined that no unrecognized tax benefit is required as of December 31, 2023. We are subject to taxation in the United States and various states jurisdictions. As of December 31, 2023, years since inception are subject to examination by the tax authorities.

Note 7: SUBSEQUENT EVENTS

Management of the Company has evaluated events and transactions that have occurred since December 31, 2023 through the date these financial statements were issued, and determined that there are no material events that would require disclosures in the Company's financial statement.
