January 6, 2012, Wade worked  
with Dr. Saida but at different  
companies

I have found Saida to be a delightful lady with a loving and bright message around sexuality and how it can be used to bring about personal transformation. Her work is a beautiful combination of traditional Taoist practices merged with modern science sprinkled with with Saida's sparkling presence and infectious personality. I highly recommend her work to anyone looking to explore the deeper aspects of sexuality.
