Plus Venture Partners, LLC

Notes to Financial Statements

As of and for the year ended June 30, 2024

1. Description of Business and Summary of Significant Accounting Policies

Description of Business

Plus Venture Partners, LLC (the “Company”) is a Limited Liability Company formed on September 27, 2018 in the State of Delaware. The sole member of the Company is Plus Ventures, LLC (the “Member”). Effective August 2, 2019, the Company commenced operations when it became registered with the Securities and Exchange Commission (“SEC”) as a securities broker-dealer and received approval from and became a member of the Financial Industry Regulatory Authority (“FINRA”).

As a limited liability company, the member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

Basis of Presentation

The Company’s financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Cash

The Company maintains its bank accounts in high credit quality institutions. Balances at times may exceed Federal Deposit Insurance Corporation (“FDIC”) insured limits.

Revenue Recognition

The Financial Accounting Standards Board (“FASB”) has issued a comprehensive new revenue recognition standard that supersedes most existing revenue recognition guidance under U.S. GAAP FASB Accounting Standards Codification (“ASC”) 606, Revenue from Contracts with Customers (“ASC 606”).

The core principle of ASC 606 is that a company should recognize revenue when it transfers goods or services to customers in amounts that reflect the consideration the Company expects to receive for those goods or services. ASC 606 prescribes a five-step process to accomplish this core principle, including:

- (i) Identification of the contract with the customer;
- (ii) Identification of the performance obligations in the contract;
- (iii) Determination of the transaction price;
- (iv) Allocation of the transaction price to the performance obligations in the contract;
- (v) Recognition of revenue when (or as) the performance obligation is satisfied.

Plus Venture Partners, LLC

Notes to Financial Statements

As of and for the year ended June 30, 2024

Revenue Recognition (Continued)

The Company's business activities are limited to private placements of securities, engaging in transactions in the secondary market of privately held securities, and investment banking and private capital raising activities. The Company provides these services in connection with the terms of its contracts with customers. Revenue is generally recognized based on the services provided or when the transaction is consummated. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. Retainers and other fees received from customers prior to recognizing revenue would be reflected as contract liabilities (deferred revenue in the statement of financial condition).

During 2024, the Company had no revenue.

Measurement of Credit Losses on Financial Instruments

For financial assets measured at amortized cost (e.g. cash and fees receivable), the Company has evaluated the expected credit losses based on the nature and contractual life or expected life of the financial assets, credit quality of the counter party and historic and expected losses. The Company concluded that there are de minimus expected credit losses and did not record a reserve for the cash or fees receivable. The Company continually monitors these estimates over the life of the receivable.

Income Taxes

As a limited liability company, U.S. Federal tax law provides that the Company's taxable income or loss is allocated to its member in accordance with the operating agreement, whereby the Company is not subject to income tax. Therefore, no provision or liability for income taxes has been included in the financial statements.

The Company applies ASC Topic 740, Income Taxes. A component of this standard prescribes a recognition and measurement threshold of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than- not to be sustained upon examination by taxing authorities. There was no material impact on the Company's financial position or operations as a result of the application of this standard. The Company's policy is to recognize interest and penalties associated with tax positions under this standard as a component of income tax expense, and none were recognized as there was no material impact from the overall application of this standard.

Use of Estimates

The process of preparing financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Such estimates primarily relate to transactions in process and events as of the date of the financial statements. Accordingly, upon completion, actual results may differ from estimated amounts.

Plus Venture Partners, LLC

Notes to Financial Statements
As of and for the year ended June 30, 2024

2. Financial Condition

The Company had a net loss of \$165,142 in the year ended June 30, 2024.

Management believes the Company's present cash flows will not enable it to meet its obligations for twelve months from the date these financial statements are issued. However, Plus Capital Management LLC, an affiliate of the Company, maintains sufficient capital and will provide financial support that will enable the Company to meet its obligations for the twelve-month period from the date the financial statements are issued.

3. Indemnification

The Company enters into contracts that contain a variety of indemnifications for which the maximum exposure is unknown but for which management expects the risk of loss, if any, to be remote. The Company has no current claims or losses pursuant to such contracts.

4. Net Capital Requirements

The Company is subject to the SEC's Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 15 to 1. At June 30, 2024, the Company had net capital of \$27,455, which was \$22,455 in excess of its required minimum net capital of \$5,000. The Company's percentage of aggregate indebtedness to net capital was 35% at June 30, 2024.

5. Related Parties

The Company had entered into an expense sharing agreement (the "Agreement") with its sole member, Plus Ventures, LLC (the "Member"). Certain employees of the Member provide services to the Company. Effective December 10, 2019, the Member has agreed to pay certain operating costs attributable to the activities of the Company, including office rent, utilities, information technology infrastructure, printing fees, legal and compliance, and telephone fees. The Agreement provides for the Company to reimburse the Member monthly for its share of operating expenses. The Agreement is perpetual until changed by the parties.

Total expenses under the expense sharing agreement were \$59,600 for the year ended June 30, 2024. A payable in the amount of \$6,283 is reflected as Due to related parties in the accompanying statement of financial condition as of June 30, 2024.

As necessary, the Member will provide support to the Company through direct contributions of capital and forgiveness of related party expenses identified as non-cash member contributions. Capital contributions totaled \$115,000 and non-cash member contributions totaled \$33,725 for the year ended June 30, 2024.

As of and for the year ended June 30, 2024

6. Commitments and Contingencies

Litigation

The Company, from time to time, may be involved in litigation relating to claims arising out of its normal course of business. Management believes there are no claims or actions pending or threatened against the Company, the ultimate disposition of which would have a material impact on the Company's financial position, results of operations or cash flows.

Risk Management

The Company maintains various forms of insurance that the Company's management believes is adequate to reduce the exposure to identified risks to an acceptable level.

7. Subsequent Events

Events of the Company subsequent to June 30, 2024, have been evaluated through July 30, 2024, which is the date the financial statements were issued, for the purpose of identifying events that would require recording or disclosures in the financial statements in the year ended June 30, 2024. A contribution in the amount of \$35,000 was made on July 15, 2024.
