Experience

Co-Founder and President

extraSlice

2013 – Present · 8 yrs

extraSlice – The Place for Tech™, is the ultimate technology campus & platform, exclusively designed for innovation. Based in Bellevue, WA and founded by engineers, extraSlice caters to technology companies of all sizes including early startup, emerging and enterprise. In addition to smart & flexible workspace, extraSlice's emerging virtual tech community platform enables companies and growth providers to collaborate, grow, and connect with the rest of the globe.

Binu patiently drives ExtraSlice's strategic vision and manages investor relations.
