For anyone who wants to serve treats that taste great, are wholesome, and include people with food allergies, celiac disease, and other dietary needs, there's Homefree. Started by the Mom of a child with multiple food allergies, Homefree produces award winning cookies in a dedicated bakery free of peanuts, tree nuts, eggs, dairy and wheat. It also is a dedicated gluten free facility, and all the products are certified gluten free. The only soy is soy lecithin in one of the products. The treats are vegan, kosher pareve, 100% whole grain, and all natural or certified organic (70%). All the products are easily found at their web store at [www.homefreetreats.com](http://www.homefreetreats.com). Homefree cookies are available at a range of stores and ... See more
