CEO & Founder

Venomix Therapeutics

May 2015 – Present · 3 yrs 6 mos

Greater San Diego Area

We are an early stage therapeutics company creating next generation antitoxins.

Our first focus is the development of the world's first broad-spectrum recombinant antivenom for treatment of snakebite. Our mission is to make antivenom treatment safe, effective, and available to the 5.5 million victims of snakebite per year.

We are also planning to use our therapeutic libraries to develop novel bacterial antitoxins which circumvent antibiotic resistance.... [See more](#)
