OTHER MATTERS

Special Purpose
Vehicle:

Instead of issuing its securities directly to investors, the Company has decided to issue its securities to a special purpose vehicle ("SPV"), which will then issue interests in the SPV to investors. The SPV has been formed by Wefunder Admin, LLC and is a co-issuer with the Company of the securities being offered in this offering. The Company's use of the SPV is intended to allow investors in the SPV to achieve the same economic exposure, voting power, and ability to assert State and Federal law rights, and receive the same disclosures, as if they had invested directly in the Company. The Company's use of the SPV will not result in any additional fees being charged to investors.

The SPV has been organized and will be operated for the sole purpose of directly acquiring, holding, and disposing of the Company's securities, will not borrow money and will use all of the proceeds from the sale of its securities solely to purchase a single class of securities of the Company. As a result, an investor investing in the Company through the SPV will have the same relationship to the Company's securities, in terms of number, denomination, type and rights, as if the investor invested directly in the Company.

Option Pool:

The number of non-voting Common Shares reserved for issuance under the Corporation's employee stock option plan will be equal to two million (2,000,000) voting common shares in regard to the total authorized shares of the Corporation.

Share Purchase
Agreement:

The Corporation and Investors shall enter into a legally binding share purchase agreement reflecting the terms and conditions contained herein and containing standard representations and warranties, with survival period of four years.

Risk:

Investors in the securities issued by the Corporation must be willing to accept the risk of losing their entire principal.

Founder Matters:

Each Founder shall have transferred all relevant intellectual property to the Corporation and entered into an employment agreement with the Corporation.
