Prospectus Summary, page 1

1. Please prominently discuss here and in the Gold Industry section on page 17 the impact of current geopolitical events on the gold market and the Trust. Please place this discussion in context by quantifying the relative contribution of Russia and Ukraine in the gold market. Similarly revise your risk factor disclosure by describing the impact of current events on underlying assumptions and expectations and the potential for resulting volatility and losses. If you do not expect the impact to be material, please discuss why.
