CEO | Founder

Hyperspace XR, LLC

Jun 2016 – Present · 2 yrs 9 mos

Greater Seattle Area

We build portals to new immersive realities through large scale virtual experiences.

Our platform and attractions inspire operators and consumers alike through massive fully tactile experiences that bring players into worlds rich with lore, entertainment, and immersion by layering virtual environments onto a physical environment.

Our Seattle-based team is currently building our system, in partnership with Pacific Science Center in Seattle.

Director Of Operations | Investor

Charles Ludwyck Properties

Jan 2012 – Sep 2017 · 5 yrs 9 mos

Indiana

Historic 58 unit multi-family complex built in 1906 in the heart of the downtown Historic District. One and two bedroom units make up this property where residents enjoy spacious common areas and sprawling grounds. As I have transitioned into new opportunities, closer to home and in line with my goals and passions we have sold the property to a fantast... [See more](#)
