Investors should carefully consider the investment objectives, risks, charges and expenses of the Yieldstreet Prism Fund before investing. The prospectus for the Yieldstreet Prism Fund contains this and other information about the Fund and can be obtained by emailing [investments@yieldstreetprismfund.com](mailto:investments@yieldstreetprismfund.com) or by referring to [www.yieldstreetprismfund.com](http://www.yieldstreetprismfund.com). The prospectus should be read carefully before investing in the Fund.

Investments in the Fund are not bank deposits (and thus not insured by the FDIC or by any other federal governmental agency) and are not guaranteed by Yieldstreet or any other party.

The Yieldstreet Prism Fund's annualized distribution rate of 7% reflects the initial quarterly distribution declared by the Fund's board of directors on February 6, 2020, which will be payable to stockholders of record as of June 10, 2020 and is based on the initial offering price of \$10 per share. The Fund's distribution may exceed its earnings. Therefore, a portion of the Fund's distribution may be a return of the money you originally invested and represent a return of capital to you for tax purposes.

The Yieldstreet Prism Fund is a non-diversified closed-end fund for the purposes of the Investment Company Act of 1940, as amended ("40 Act"), and is therefore not a 40 Act "diversified" product.

Shares of the Yieldstreet Prism Fund are not offered for sale in the states of Nebraska and North Dakota or to persons residing or located in such states. No subscription for the sale of Fund shares will be accepted from any person residing or located in Nebraska or North Dakota.
