

Yieldstreet
Prism Fund

With one investment, access an income-generating alternative investments portfolio. For everyone.

The Yieldstreet Prism Fund seeks to generate income by investing across multiple asset classes: Art, Commercial, Consumer, Legal, Real Estate, Corporates and more. The Fund's diverse specialty finance holdings are sourced from private market opportunities that were historically off-limits to retail investors. The Yieldstreet Prism Fund delivers a professionally-managed, multi-credit income portfolio in a single fund solution, with a low minimum and the simplicity of 1099 tax reporting.

Quarterly distributions

Distributions are to be made to investors quarterly (typically in February, June, September and December), subject to the authorization of the Fund's Board of Directors. Cash distributions are automatically reinvested through our Dividend Reinvestment Program (DRIP); however, you may choose to opt-out of the DRIP at any time to receive the distributions in cash.

Transparent fee structure

Total annual fees of 1.5%, which are only charged on the Fund's assets that have been invested (no fees are charged for cash in the Fund that is not invested). No load or redemption fees.

Liquidity

The Fund expects to offer investors the opportunity to liquidate at least a portion of their shares on a quarterly basis (typically in March, May, August and November), subject to approval by the Fund's Board of Directors and other limitations outlined in the Fund's prospectus.²

Yieldstreet by the numbers

Yieldstreet's investment team partners with industry-leading specialists to assess and evaluate every investment offered. Since inception, less than 10% of opportunities reviewed passed our selective process to make it onto the Yieldstreet platform.
