The background of the slide is a faded, high-angle photograph of industrial machinery. It features several large, circular, metallic openings or ports, possibly for inspection or sampling, arranged in a vertical column. The machinery has a polished, reflective surface, and various pipes and structural elements are visible, creating a complex industrial scene. The overall tone is professional and technical.

Mission Statement & Vision

Mission Statement & Vision

Mission Statement

Provide an experience for our customers and those new to our brand through service, education, and unique spirits. Plus we get out there and live it!

Vision

- Become valued as an iconic California premium craft spirits brand.
- Deliver value to investors via continual re-investment in The Brand's growth.
- Participate actively as a member of our community.
- Minimize our environmental impact.

The R6 Brand

The R6 Brand

- **Quality:** R6 does NOT take shortcuts.
- **Experience:** R6 delivers an intimate and prohibition period-specific ambiance via packaging, attire, and décor.
- **Variety with Focus:** via market research and an understanding of customer demands, R6 delivers both mass market and specialty niche spirits.

The R6 Speakeasy

Leadership & Governance

R6 Leadership

- Founder, Head Distiller: Rob Rubens
 - Broad experience in spirits distillation, brewing, recipe development, and product formulation
 - 17 years invested with start-ups and strategy consulting
 - Loves making / drinking GR6AT whiskey, hiking, animals, skydiving, camping, bungee jumping, live music, and spending time with family

The R6 Team

- Andrew Hulle, Assistant Distiller
- Maria Rossi, Spirits Sales Specialist
- Meredith Hayman, Chief Mixologist
- Christopher Quinn, Lead Bartender
- Payton Buckley, Barkeep

(Clockwise, starting top left)

R6 Corporate Governance: Board of Directors

- Michael Paolucci
- Rob Rubens
- Casey Miles
- Bob Rubens
- Daniel Thompson

(Clockwise, starting top left)

CVs of Board Members available upon request

Experience includes start-up distilleries, bars/restaurants, & turnaround

Goals & Path to Market

R6 Brand Pivot: May 1, 2018

After critical market assessment, the Board pivoted and rebranded as a spirits-only supplier and refine the company's approach.

Focused wholesale spirits offerings on Craft Bourbon and Vodka, two underserved market segments.

Maintained brewery presence via operating sub-lease.

Consummated strategic partner relationship to advance R6 market penetration.

R6 Qualitative Goals

The milestones on this slide are projections and cannot be guaranteed.

Status	Year 0: By December 31, 2016
1) Complete	Locate facility for distillery-brewery near major freeways and affluent demographic.
2) Complete	Source contractors, design facility.
3) Complete	Obtain all nine required city + state + federal licenses to operate.
4) Complete	Purchase top-of-the-line, high capacity German distilling equipment, install, and operationalize. Still Capacity = 61,750 cases/year
5) Complete	Build 6,000 square foot facility (new water main, gas main, sewer, electrical, AC, carpentry, cooling systems, and more).
Status	Year 1: By December 31, 2017
1) Complete	Secure California statewide spirits distribution.
2) Complete	Obtain key brand recognition accounts: Delta Air Lines, The Four Seasons, local Whole Foods, McCormick.
3) Complete	Finalize spirits flagship recipes.
4) Complete	Distill and cooper 700 gallons of whiskey (2019-ready).
Status	Year 2: By December 31, 2018
1) I/P	Obtain 100 accounts in Los Angeles and San Diego.
2) Complete	Grow whiskey inventory by at least 700 gallons for the calendar year.
3) Complete	Sign brewery partner, and exit beer wholesale business.
4) Complete	Market R6 as specialty contract distiller. Secure \$150K in commitments.
5) Complete	Obtain shelf space at 3 of the following: Costco, Total Wine, 365, Bristol Farms, BevMo, Safeway.
6) I/P	Secure strategic partner and \$1.2-\$3.0 Million in capital for growth.

R6 Qualitative Goals continued

Year 3: By December 31, 2019

- 1) Build operations team: Lead Distiller, Territory Sales Manager, Account Executives.
- 2) Expand sales territory through northern California, Arizona, and Nevada.
- 3) Grow whiskey inventory by at least 1,200 gallons for the calendar year.
- 4) Locate strategic storage for cooperage.
- 5) Maintain 80% still utilization; evaluate fermentation capacity and bottling line for contract distilling.
- 6) Pursue in-flight beverage opportunities with the West Coast Mule.

Year 4: By December 31, 2020

- 1) Sell-in 4,750+ cases to earn recognition as a Regional Craft Spirits Brand.
- 2) Expand sales territory through Washington, Colorado, Texas, Michigan, Illinois.
- 3) Grow whiskey inventory by at least 2,500 gallons for the calendar year.
- 4) Maintain 95% still utilization for R6 and contract distilling.
- 5) Open secondary tasting room location.

R6 Margins

R6 is a platform positioned for growth.

		R6 Wholesale Contribution Margin			
Product	Package Size	Front Line	Combo	Menu	Deep
R6 Bourbon Whiskey	750 ml	58.7%	55.6%	28.7%	25.0%
R6 Single Malt Whiskey	750 ml	52.0%	49.4%	-	-
R6 Vodka	1 L	-	35.0%	31.3%	9.6%
R6 Vodka	750 ml	51.9%	50.0%	35.5%	25.0%
West Coast Mule	12 ounce	89.0%	-	-	50.0%

Front Line: list price

Combo: 3+ bottles

Menu: listed on print menu or in well

Deep: lowest discount provided

For purposes of this deck and discussion, supply agreement pricing is contingent on transfer pricing; therefore R6 profit is contingent on supply agreement pricing.

The milestones on this slide are projections and cannot be guaranteed.

Volume Deals

R6 Margins continued

R6 Retail & Contract Distilling Contribution Margin			
Product	Cocktail	Bottle	Service
Tasting Room	88.4%	78.9%	-
Contract Distilling*	-	-	66.1%
Recipe Development**	-	-	92.2%

**At current still capacity, contract whiskey distilling revenue can reach \$1.7 Million.*

***Margin based on standard whiskey contract.*

The milestones on this slide are projections and cannot be guaranteed.

The background image shows a close-up of industrial machinery, likely a refrigeration or HVAC system. It features several large, circular, metallic ports or viewports arranged vertically. To the left, there are two pressure gauges with white faces and black markings, connected to the system by thin copper-colored lines. The overall scene is brightly lit, with a warm, golden-brown color cast. The text "R6 Products" is overlaid in the center in a black, serif font.

R6 Products

R6 Straight Bourbon Whiskey

- Straight California Bourbon Whiskey made from yellow corn, rye, and barley
- Very smooth nose and palate
- We blend our Southern California Bourbon with Northern California Bourbon, resulting in a unique terroir from the climate differences and grain
- Aged for a minimum of 2 years in charred, New American White Oak
- Notes of citrus, caramel, cinnamon, pepper, nut, and corn
- 43% Alcohol by Volume, 86°

Item Description	Pack/ Size	Front Line	Net Bottle	Cost Per Oz.
R6 DISTILLERY Bourbon Whiskey	6/750ml	204.00	34.00	1.34

R6 Single Malt Whiskey

- Single Malt Whiskey made from 100% malted grain: distiller's malt, peated malt, coffee malt, and chocolate malt
- Aged 1 year in charred, New American White Oak
- Smoky, sweet, with chocolate undertones
- 43% Alcohol by Volume, 86°

Item Description	Pack/ Size	Front Line	Net Bottle	Cost Per Oz.
R6 DISTILLERY Single Malt Whiskey	6/750ml	272.00	45.33	2.32

R6 Vodka

- Distilled 20x from 100% organic yellow corn
- Exceptionally clean vodka, whether mixed or neat
- Smooth with a balanced, peppery finish
- Silver medals at San Francisco World Spirits & ADI 2017
- 40% Alcohol by Volume, 80°

Item Description	Pack/ Size	Front Line	Net Bottle	Cost Per Oz.
R6 DISTILLERY Vodka	6/750ml	156.00	26.00	0.92

R6 West Coast Mule™: Draft & Can

- Handcrafted ingredients, batched at local distillery, delivered fresh
- Made with R6 grain to glass, 20x distilled vodka
- West Coast Mule on tap = ice cold flavor consistency, the way consumers prefer it
- Turn the slowest tap into the most profitable by increased speed of service

Benefits:

- Saves time, frees bartender for mixology cocktails & serving other customers
- Better ingredients and better bar flow = **TWO** additional cocktails per 4-top*
- No mixing, no waste, no bottles to stock or recycle; easy to install/no new equipment

Item Description	Pack/ Size	Front Line	Net Bottle	Cost Per Oz.
R6 West Coast Mule	5.15 gallon keg	250.00		0.379

Lower Costs, Higher Margins

- Keg at LIST price, \$12 = 19% PC; \$10 = 23% PC; \$8 = 28% PC/Happy Hour
- Cost: \$250; Size: 5.15 gallons keg; Fluid ounces: 660
- 10.1% ABV; Servings: 110 6 fluid ounce West Coast Mules per keg

*Survey National Restaurant Association
