Greater Atlanta Area

HiveMind is a cutting-edge bioremediation, biodegradation and restoration company. We utilize a wide array of biological agents, technologies and partners to remedy even the most challenging environmental problems. We have synthesized much of the work done in bioremediation during the Chernobyl disaster in 1986, the Valdez oil spill of 1997, the petro-chemical damage from Operation Desert Storm in 1990-1991, the San Francisco Bay oil spill of 2007, and the Fukushima Daiichi disaster in 2011.

Utilizing off the shelf technology, we leverage three powerful bioremediation modal... [See more](#)
