We are producing a theatrical hip hop musical about startups.

It started with four startup founders doing freestyle hip hop just for fun. Then we wrote an album. Which became a musical. We did our first sold-out performance in 2016, fol... See more

Environment

Project Drawdown (<http://drawdown.org>) is doing the most exciting climate solutions work I've seen. I started advising and helping out from the very early days. Volunteer work included supporting fundraising events, strategic advice on designing their interactive platform, and spending two weeks in France for COP21, sharing the Drawdown vision and building the Drawdown coalition.

Angie Grainger CPA-PFS,CFP

#MoneyFinder

November 30, 2016, Angie managed Brent directly

Brent was a vital asset to helping us determine our needs when building a new software program. He was articulate, thoughtful, diligent and experienced. We were able to build a great team...and great software!

Troy Dayton

CEO at Marijuana Investment & Research Firm and Legalization Advocate (Hiring)

December 9, 2015, Troy managed Brent directly

Brent is a very detailed, thorough, and creative thinker. Those two qualities rarely come in the same person. He helped me on a number of different projects spanning a wide range of skill and knowledge areas for my company. I was very happy with his performance.
