REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Manager and Member of
Peachtree PC Advisors, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Peachtree PC Advisors, LLC (the "Company") as of December 31, 2019, and the related statements of operations, changes in member's equity and cash flows for the period August 2, 2019 (Date of FINRA Approval) through December 31, 2019, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019, and the results of its operations and cash flows for the period from August 2, 2019 (Date of FINRA Approval) through December 31, 2019, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information included in the supplemental schedules has been subjected to audit procedures performed in conjunction with the audit of Peachtree PC Advisors, LLC's financial statements. The supplemental information is the responsibility of Peachtree PC Advisors, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Note 2 - Significant Accounting Policies

Basis of Presentation

The Company has adopted the Financial Accounting Standards Board ("FASB") Codification ("Codification"). All of the Codification's content carries the same level of authority.

PEACHTREE PC ADVISORS, LLC

Notes to Financial Statements

December 31, 2019

Note 2 - Significant Accounting Policies - continued

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

For the purposes of reporting cash flows and amounts in the Statement of Financial Condition, the Company defines cash as cash on hand and demand deposits.

Revenue Recognition

The Company earns commission revenues from the sale of limited partnership or limited liability interest in funds owned by the Affiliate. Revenues are recognized on a trade date basis and payment is typically received following either a weekly or daily closing of the offering.

The Company's commission income resulting from the sale of limited partnership and limited liability interests is recorded upon satisfaction of its performance obligations, which occurs on the trade date. Commission revenue is based on a percentage of the amounts invested. The Company views the selling, distribution and marketing, or any combination thereof, of limited partnership or limited liability interests as a single performance obligation. The Company is the principal for commission revenue, as it is responsible for the execution of the clients' purchases and sales and maintains relationships with the investment sponsor. Accordingly, total commission income is reported on a gross basis in the accompanying Statement of Operations.

Receivables

Commissions are recorded on a trade date basis as securities transactions occur. Losses from uncollectible receivables are accrued when it is probable that a receivable is impaired and the amount of the loss can be reasonably estimated. Management believes that neither of these conditions existed with regard to the receivables, and, as such, an allowance for doubtful accounts has not been established.

Income Taxes

The Company is included in the federal and state income tax returns filed by the Parent. The Parent was formed as a limited liability company and is treated as a partnership for federal income tax purposes and is generally not subject to federal and state income taxes. Accordingly, no recognition has been given to income taxes in the accompanying financial statements since the income or loss is to be included in the tax returns of the individual partners. The Partner's tax return is subject to examination by federal and state taxing authorities. If such examinations result in adjustments to distributive shares of taxable income or loss, the tax liability of the members would be adjusted accordingly.

Note 4 - Consulting Agreements

During June 2019, the Company entered into a consulting services agreement with Curtis Consultants, LLC ("Curtis") to provide regulatory compliance services. The agreement automatically renews on an annual basis until terminated by either party. The agreement includes a fixed monthly professional fee of \$5,000 per month, plus reimbursable expenses and costs. Consulting fees paid to Curtis were approximately \$22,920 for the period from August 2, 2019 (Date of FINRA Approval) through December 31, 2019.

During June 2019, the Company entered into a consulting services agreement with Finop Consulting, LLC ("Finop") to provide monthly regulatory reporting services. Note 5 – Net Capital Requirements

In accordance with Rule 15c3-1 of the SEC, the Company's aggregate indebtedness, as defined, shall not exceed 12.5 times its net capital. The Company must also maintain minimum net capital. As of December 31, 2019, the Company's net capital, as defined, of \$519,224 exceeded the required minimum of \$273,390 by \$245,834 and its ratio of aggregate indebtedness to net capital was 4.2123 to 1.0.

PEACHTREE PC ADVISORS, LLC

Notes to Financial Statements

December 31, 2019

Note 6 – Concentrations of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and commissions receivable. The Company maintains its cash in bank demand deposit accounts, which, at times, may exceed federally insured limits. The Company's commissions receivable are due from certain customers and arose in the normal course of business. The Company has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk with respect to its cash and cash equivalents and commissions receivable.

Note 7 – Subordinated Liabilities

There were no liabilities subordinated to claims of general creditors at any time during the period from August 2, 2019 (Date of FINRA Approval) through December 31, 2019. Therefore, the statement of changes in liabilities subordinated to claims of general creditors has not been presented for the period from August 2, 2019 (Date of FINRA Approval) through December 31, 2019.

Note 8 – Subsequent Events

The Company has evaluated subsequent events through March 2, 2020, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2019, have been incorporated into these financial statements.
