Personal data is the new oil; it drives every type of commerce in the world today and supports decision-making from individuals to customer service issues and strategic choices ... See more

Investor and Non Executive Director

Kapiche Limited

Oct 2016 – Present · 2 yrs 8 mos
London, United Kingdom

An award winning, Gartner endorsed analytics platform. Kapiche is a London based company founded in early 2015 after 12 months of meticulous fine tuning of our technology. We have identified what we believe to be a real weakness with the current analytics market. We have a real-world philosophy on analytics to reduce barrier to entry and increase user-ado... See more

Investor and Non Executive Director

Information Tools

1995 – Present · 24 yrs
New Zealand

Infotools (Information Tools Limited) has been helping our clients get more use and value from their investment in consumer research. We have built long term relationships with some of the world's biggest marketing spenders. We've earned a reputation for providing database services and software that add real value to market research.... See more
