## Education

## Stanford Graduate School of Business

Certificate, Executive Program, EPGC

2013 – 2013

## SingularityU Benelux

Diploma, How to positively impact 1 Billion people within the next Decade., Certificate  
2015 – 2015

Activities and Societies: How artificial intelligence and machine learning will complement human jobs. How the next generation of "digital natives" will leverage their skills in a new labor market. How automation will affect our labor markets. How we will design cities when cars are autonomous. Who owns the rights to your DNA. How our policies can keep pace with accelerating change.

Singularity University's unique take on the accelerating technologies of our age will prepare you to mitigate new challenges in our converging world, and capture the innovative spirit that we foster here in Silicon Valley.
