Amendment No. 2 to Registration Statement on Form F-1 filed November 13, 2019

ADS holders may not be entitled to a jury trial . . . , page 49

1. Your response to prior comment 2 and current disclosure indicate that claims arising before the withdrawal of the shares underlying the ADSs will continue to be subject to the jury trial waiver provision. Please revise to clarify the basis of that belief. For example, clarify what you consider to be "pre-dispute." If there is material uncertainty regarding the enforceability of this position, please also revise to address this uncertainty.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of
