NOTES TO FINANCIAL STATEMENTS**

SEPTEMBER 30, 2023

NOTE 1 – ORGANIZATION AND NATURE OF THE BUSINESS

Global Pacific Securities US Inc. (the “Company”) was incorporated on March 28, 2019, in New York as a Corporation. The Company began its operations as a broker-dealer on August 13, 2020. The Company is a broker-dealer registered with the Securities and Exchange Commission (“SEC”), and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”) and the Securities Investors Protection Corp (“SIPC”). The Company provides equity and bind execution to its clients. NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company prepares its financial statements on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Significant Judgments

Revenue from contracts with customers includes commission income, Selling group fees and private placement fees. The recognition and measurement of revenue is based on the assessment of individual contract items. Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction process where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable considerations should be applied due to uncertain future events.

Due from Broker

As of September 30, 2023, amounts receivable from the clearing broker of \$308,583 consisted of deposits and amounts due from clearing broker, net of any payable for fees, commissions and errors and included clearing deposits of \$10,000 with Interactive Brokers LLC and a clearing deposit of \$83,000 with Velox clearing .

Fixed Assets

Computer equipment is stated at cost less accumulated depreciation and amortization. Depreciation is computed on a straight-line basis over the useful live of the assets. The total depreciation as of September 30, 2023, was \$941.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company is C-Corporation incorporated in the State of New York. The Company evaluates its uncertain tax positions under the provisions of FASB ASC 740, *Income Taxes*. FASB ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Differences between tax positions taken or expected to be taken in a tax return and the benefit recognized and measured pursuant to the interpretation are referred to as "unrecognized benefits." A liability is recognized (or amount of net operating loss carry forward or amount of tax refundable is reduced) for an unrecognized tax benefit because it represents an enterprise's potential future obligation to the taxing authority for a tax position that was not recognized as a result of applying the provisions of FASB ASC 740. As of September 30, 2023, no unrecognized tax benefits were required to be recorded.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Allowance for Credit Losses

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, Financial Instruments – Credit Losses ("Topic 326): Measurement of Credit Losses on Financial Instruments, which amends the FASB's guidance on the impairment of financial instruments. The ASU adds to GAAP, an impairment model (known as the current expected credit loss ("CECL") that is based on expected losses rather than incurred losses. Under the new guidance, the Company recognizes as an allowance, its estimate of lifetime expected credit losses, which the FASB believes will result in more timely recognition of such losses, if any. The ASU is also intended to reduce the complexity of GAAP by decreasing the number of credit impairment models that entities use to account for debt instruments. Further, the ASU makes targeted changes to the impairment model for available-for-sale debt securities. The new CECL standard became effective on August 13, 2020 and had no impact on the Company as of that date.

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC's Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires that the Company maintain a minimum net capital of \$5,000 and that the ratio of aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At September 30, 2023, the Company had net capital of \$1,188,668 which exceeded required net capital by \$1,183,668, and a total aggregate indebtedness of \$5,019. The Company's aggregate indebtedness to net capital ratio was .0042 to 1 at September 30, 2023.

NOTE 4 – CONCENTRATIONS

Financial instruments that subject the Company to credit risk consist principally of cash and cash equivalents. The Company performs certain credit evaluation procedures and does not require collateral for financial instruments subject to credit risk.

The Company maintains checking in a financial institution. Accounts at the bank are insured by the Federal Deposit Insurance Corporation ("FDIC"). The company has not exceeded the balances that may be uninsured when deposit accounts that exceed the FDIC insurance limit. The Company has not experienced any losses in the accounts. The Company believes it is not exposed to any significant risk on cash. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal.

NOTE 5 – RELATED PARTIES

The Company has entered into a lease agreement with Wisdom Global Realty New York LLC, an affiliate on September 1, 2022, and the lease expired on September 30, 2023. The base monthly rent is \$4,000. During the year ended September 30, 2023, the total rent incurred under this lease was \$48,000. The lease agreement has been renewed for 1 more year expiring September 30, 2024.

NOTE 6 – SUBSEQUENT EVENTS

Management of the Company has evaluated events or transactions that may have occurred since September 30, 2023 and determined there are no material events that would require adjustment or disclosure in the Company's financial statements.
