About Green Olive

Founded in 2007, Green Olive Tours is a Collective and social enterprise of Israelis and Palestinians dedicated to building a future together. We are the leading alternative tour company in Israel and Palestine, providing tours that visit historic and religious sites, combined with advocacy for democratic values and human rights. Seed funding came from our Partners, family, and sweat equity. Since 2014 over 200 people have become members and investors. Now it's your turn to join the Green Olive Community.
