LEAFWIRE, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and December 31, 2020
(unaudited)

NOTE 1 – NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Leafwire, Inc. ("the Company") was incorporated on July 30, 2019 under the laws of the State of Delaware and is headquartered in Denver, Colorado. The Company was originally formed as Leafwire, LLC, a limited liability company, which organized on September 21, 2016, and subsequently converted to a C-corporation on July 30, 2019. The Company provides a website that functions as a business network for cannabis, connecting individuals, prospective job seekers, and other potential stakeholders with business opportunities in the cannabis industry.

Subsequent Events

The Company has evaluated subsequent events through April 29, 2022, the date these financial statements were available to be issued. At the end of 2021 the Company raised \$50,000 through a second convertible note raise with the same terms as the first convertible note raise. At the start of 2022, a third convertible note raise was initiated under which \$150,000 has been raised to date.

NOTE 2 – GOING CONCERN

The accompanying financial statements have been prepared assuming the Company will continue as a going concern, which contemplates the recoverability of assets and the satisfaction of liabilities in the normal course of business.

The Company has incurred losses from inception of \$2,483,819 which, among other factors, creates risk about the Company's ability to continue as a going concern. The ability of the Company to continue as a going concern is dependent upon management's plans to raise additional capital from the issuance of debt or the sale of stock, its ability to commence profitable sales of its flagship product and services, and its ability to generate positive operational cash flow.

There can be no assurance that the Company will be able to achieve or maintain cash-flow-positive operating results. If the Company is unable to generate adequate funds from operations or raise sufficient additional funds, the Company may not be able to repay its existing debt, continue to develop its product, respond to competitive pressures or fund its operations. As a result, the Company may be required to significantly reduce, reorganize, discontinue or shut down its operations. The financial statements do not include any adjustments that might result from this uncertainty.

NOTE 3 – COMMITMENTS AND CONTINGENCIES

Litigation

The Company accrues for loss contingencies associated with outstanding litigation, claims and assessments for which management has determined it is probable that a loss contingency exists, and the amount of loss can be reasonably estimated. Costs for professional services associated with litigation claims are expensed as incurred. As of December 31, 2021 and 2020, the Company has not accrued or incurred any amounts for litigation matters.

Contingencies

A novel strain of coronavirus, or COVID-19, has spread throughout Asia, Europe and the United States, and has been declared to be a pandemic by the World Health Organization. Our business plans have not been significantly impacted by the COVID-19 outbreak. However, we cannot at this time predict the specific extent, duration, or full impact that the COVID-19 outbreak will have on our financial condition, operations, and business plans for 2021. Our operations have adapted social distancing and cleanliness standards and we may experience delays in anticipated timelines and milestones.

NOTE 4 – RELATED PARTY TRANSACTIONS

During the years ended December 31, 2021 and 2020, the Company had transaction with a related party including \$452,925 and \$287,618, respectively, that the Company paid to Ceylon Solutions LLC, a development tech company in Sri Lanka owned by board members of the Company, to build new features for the Company's platform and website.

NOTE 5 – CONVERTIBLE NOTES PAYABLE

During the years ended December 31, 2021 and 2020, the Company issued convertible promissory notes for cash proceeds of \$593,234 and \$210,000, respectively. The notes are all convertible into preferred or common shares of the Company, carry interest at 6% per annum, and mature two years from issuance.

Future minimum principal payments, including notes issued subsequent to the year ended December 31, 2021, are as follows for the years ended December 31:

2022	\$	490,680
2023		543,234
2024		200,000
2025		-
	<u>\$</u>	<u>1,233,914</u>

The Company extended the convertible note maturity date by 1 year for debt maturing in November 2021 to November 2022.

The Company recognized interest expense of \$100,751 and \$22,194 during the years ended December 31, 2021 and 2020, respectively.

NOTE 6 – CONCENTRATIONS

At December 31, 2021, 57% of accounts receivable was due from three customers. At December 31, 2020, 41% of accounts receivable was due from three customers. For the years ended December 31, 2021 and 2020, approximately 12.9% and 8.3% of revenue were derived from one and two customers, respectively.
