Children

Girls on the Run is truly a program that changes lives! Young girls are vulnerable to self doubt and riddled with insecurities. They fall victim to believing what others say about them and fail to see how powerful and unique they are. Girls on the run empowers girls and helps them realize that they CAN be whatever they want to be. They learn that what makes them different is also what makes them strong and special. There is nothing like running for a young girl. When they cross the finish line of their 5K, they realize that they did it. They learn that they are strong and exceptional young ladies.
