## Experience

### Founder Nu Collective LLC/ Creator of Nuudii System

Nuu Collective LLC

2016 – Present · 3 yrs

NYC

I'm the founder and creator of the original Nuudii. As an expanded thinker and fearless visionary leader, I believe that anything is possible. Nuudii was born out of my own internal need for something that was not available on the market and yet I knew at the time it would change women lives forever. For years, I spent time hand sewing prototypes, doodling logo's coming up with tag lines and dreaming. Today, with two approved patents, over 850K in sales, I work like an archer diligently working towards the high goals I have projected for my brand. As founder, I do anything and everything that's need to move us forward, though my main responsibilities are on fundraising, marketing & branding, sales and identifying unique ...[see more](#)

### Fashion Stylist - Designer of Interiors - residential and commercial spaces

Annette Azan Design

Jan 2010 – 2016 · 6 yrs

NY

After working in the fashion industry for over two decades I veered sideways and moved into a new direction filtering my creative abilities and vision into interior design and styling. While I have extensive experience running companies, overseeing branding, production and business growth, I prefer working deeply with one client at a time on projects that create more ...[see more](#)
