The Greatest Adventures On Earth, LLC

SAFE  
(Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by [INVESTOR NAME] (the “**Investor**”) of [INVESTMENT AMOUNT] (the “**Purchase Amount**”) on or about [EFFECTIVE DATE], The Greatest Adventures On Earth, LLC, a Ohio limited liability company (the “**Company**”), hereby issues to the Investor the right to certain Units, subject to the terms set forth below.

The “**Valuation Cap**” is **\$5,000,000**

The “**Discount Rate**” is **80%**

See Section 2 for certain additional defined terms.

1. **Events**

(a) **Equity Financing.** If there is an Equity Financing before the expiration or termination of this instrument, the Company will automatically issue to the Investor a number of Safe Preferred Units equal to the Purchase Amount divided by the Conversion Price.

In connection with the issuance of Safe Preferred Units by the Company to the Investor pursuant to this Section 1(a):

(i) The Investor or the Designated Lead Investor (as defined below), if any, will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents are the same documents to be entered into with the purchasers of Standard Preferred Units, with appropriate variations for the Safe Preferred Units applicable; and

(ii) If the Investor is a Major Investor, the Investor and the Company will execute a Pro Rata Rights Agreement in favor of the Investor, unless the Investor is a duly included in such rights in the transaction documents related to the Equity Financing.

(b) **Liquidity Event.** If there is a Liquidity Event before the expiration or termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the Company a number of Common Units equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option.

In connection with Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay (i) holders of any series of Preferred Units issued before the date of this instrument (“**Senior Preferred Holders**”) and (ii) the Investor and holders of other Safes (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed (i) first to the Senior Preferred Holders and (ii) second with equal priority and *pro rata* among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of Common Units equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, *pro rata*, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by the Board in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of Common Units equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event.** If there is a Dissolution Event before this instrument expires or terminates, the Company will pay (i) first to the Senior Preferred Holders any amounts due and payable to them in connection with a Dissolution Event under the Company’s operating agreement (the “**Senior Preferred Holders’ Payment**”) and (ii) second an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any distribution of any of the assets of the Company to holders of outstanding Common Units by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event and after payment of the Senior Preferred Holders’ Payment, the assets of the Company equally available for distribution to the Cash-Out Investors, as determined in good faith by the Board, are insufficient to permit the payment to the Cash-Out Investors of their respective Purchase Amounts, then the entire assets of the Company equally available for distribution will be distributed with equal priority and *pro rata* among the Cash-Out Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

(d) **Repurchase.** If the Company determines, in its sole discretion, that it is likely that within six months the securities of the Company will be held of record by a number of persons that would require the Company to register a class of its equity securities under the Securities Exchange Act of 1934, as amended, as required by Section 12(g) thereof, the Company shall have the option to repurchase this instrument from the Investor for the greater of (i) the Purchase Amount and (ii) the fair market value of this instrument, as determined by an independent appraiser of securities chosen by the Company (such repurchase, the “**Repurchase**,” and such greater value, the “**Repurchase Value**”); *provided, however*, that, in the event an Equity Financing occurs within three months after the Repurchase and the Repurchase Value is less than the Aggregate Value (as defined below) of the Safe Preferred Units the Investor would have received had the Repurchase not occurred (where such value is determined by multiplying the number of Safe Preferred Units by the Conversion Price and is referred to as the “**Aggregate Value**”), the Company shall pay to the Investor an amount equal to the difference between the Aggregate Value and the Repurchase Value promptly following the consummation of the Equity Financing. Such independent appraiser shall be regularly engaged in the valuation of securities. The foregoing repurchase option terminates upon a Change of Control or Dissolution Event.

(e) **Termination.** This instrument will expire and terminate (without reviving the Company of any obligations arising from a prior breach of or non-compliance with this instrument) upon either (i) the issuance of Units to the Investor pursuant to Section 1(a) or Section 1(b)(i); (ii) the payment, or settling as debt for payment, of amounts due the Investor pursuant to Section 1(b)(i) or Section 1(c); or (iii) the payment of the Repurchase Value; *provided, however*, the provisions of Section 1(d) will continue after such payment to the extent necessary to enforce the provisions of Section 1(d) in the event an Equity Financing occurs within three months after the Repurchase; *provided, further*, that Section 5 shall survive any such termination.
