3. We note that you adjust for "Depreciation remeasurement" in calculating Adjusted Gross Margin and Adjusted SG&A. Please further describe how such adjustment was calculated for each of the periods presented and why such adjustment is useful to an investor. Furthermore, please describe how the Company determined its annualized depreciation expense of \$60 million based on an "equivalent to medium to long-term cash capital expenditures" and tell us how you considered the guidance in Question 100.04 of the Non-GAAP Compliance and Disclosure Interpretations, as it appears you may be substituting an individually tailored recognition and measurement method for those of GAAP.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Ameen Hamady at 202-551-3891 or Shannon Menjivar at 202-551-3856 with any questions.
