1. We note your response to comment 2. In your response, you disclose that studies and analyses presented in the white papers were co-authored by individuals that include certain executive officers of DeepGreen, although the studies were not prepared in connection with the registration statement. Please similarly revise your prospectus to indicate that certain executive officers of DeepGreen co-authored the LCAs, such as clarifying what you term lifecycle ESG impacts were from studies commissioned and co-authored by DeepGreen.
