BREAKTHROUGH NEW TECHNOLOGY

SOAR UPLIFT VOICE & MOBILE

Thousands of hours of on-the-go training, re-enforcement, & performance enablement

- Hands-free voice access to thousands of valuable pieces of training content – updated continually
- Works on Alexa (100M+ devices) Windows 10 computers with Cortana (900M), and soon, any smartphone (5B)
- iPhone and Android mobile apps allow searching, browsing & playing all content
- Add enterprise proprietary content—product info, sales materials, voice of customer. Add new content in real-time.
- Personalized playlists for each user (perfect for commute) -- analytics for individuals and groups
- Optional custom integration with CRM & Calendars

PIONEERING HUMAN ENABLEMENT THROUGH
