Registration Statement on Form S-1 Filed July 27, 2020

Management's Discussion and Analysis of Financial Condition and Results of Operations
Liquidity and Capital Resources, page 71

1. You disclose on page 72 that you expect your primary liquidity requirements to include approximately \$770,000 (or \$170,000 if the over-allotment option is exercised in full) for working capital that will be used for miscellaneous expenses and reserves; however, your disclosure on page 64 states that these amounts are \$770,000 (or \$125,000 if the over-allotment option is exercised in full). Please reconcile this apparent discrepancy.

Note 8. Subsequent events, page F-15

2. Please enhance your disclosure to disclose the actual date through which subsequent events have been evaluated. Please also disclose whether the date through which
