NOTE A- ORGANIZATION AND NATURE OF ACTIVITIES

IntentWave LLC ("the Company") is a limited liability company formed under the laws of the State of Delaware. The Company derives revenue from subscription fees paid by companies for their employees (or students or customers) receiving personal stress management through IntentWave's digital platform and personalized, private recommendations. Additionally, the company also receives revenue from custom content and development requests from subscribing companies.

The Company converted to Mindcurrent Inc. in 2019 and Mindcurrent will conduct an equity crowdfund offering during the first quarter of 2020 for the purpose of raising operating capital. Mindcurrent's ability to continue as a going concern or to achieve management's objectives may be dependent on the outcome of the offering or management's other efforts to raise operating capital.

NOTE B- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Accounts Receivables

Accounts receivables consists of amounts billed to customer for completed work for which payment has not yet been received. Management's experience suggests that losses on account are likely to be infrequent. Therefore, no amount has been recognized in the statements as a reserve for losses on accounts receivables.

Inventory

The Company does not maintain any inventory items relevant to its operation.

Property and Equipment

The Company does not currently capitalize any long-lived assets.

Goodwill

The Company does not currently capitalize any goodwill.

Extraordinary Items- Revenue

The Company has elected early adoption of FASBASU 2015-01, which eliminates the concept of “extraordinary items” from GAAP.

Cost of Sales

Cost of Sales includes costs of inventory items and other supplies sold to the Company’s customers.

Advertising Costs

The Company expenses direct advertising costs as incurred.

NOTE C- LEASES

The Company leases office space used by the Company in the ordinary course of business. Obligations associated with buildings or equipment with leases that meet the criteria for “capital lease” treatment under GAAP have been recognized as liabilities on the Company’s balance sheets.

NOTE D- INCOME TAXES

The Company is subject to tax filing requirements in the federal jurisdiction of the United States. The Company recorded a net operating loss in 2018. Due to management’s uncertainty as to the valuation or timing of benefits associated with the loss, no amount has been recognized in the statements to account for it. The net operating loss carry forward associated with 2018 will expire if unused after tax year 2038. The Company’s 2018 federal tax filing will be subject to review by the Internal Revenue Service until 2022.

The Company is subject to Franchise Tax requirements in the State of Delaware. The Company’s Delaware tax filings for tax year 2018 will be subject to review by that State until the expiration of the statutory period in 2022.

NOTE E- EQUITY BASED COMPENSATION

In 2019, the Company adopted an equity compensation plan for the purpose of attracting and retaining qualified personnel. Options issued under the plan vest at the rate of 25% per year and grant the holder the right to purchase the Company's common stock at an exercise price determined at the time of issue. As of December 31, 2018, options issued, available, and exercised were as follows:

Options Authorized 5,000,000
Options Issued 0
Options Available 5,000,000

NOTE F- NOTES PAYABLE

The Company has convertible notes ("the Notes") payable to a related party. The Notes accrue interest at the rate of 6% per annum and have thirty-six month terms, with the earliest commencing in September of 2021. At Holders election and in the event that the Company issues and sells shares of its Preferred Stock in an equity financing which occurs on or prior to the Maturity Date of the Notes, then the outstanding principal amount of the Notes and all accrued and unpaid interest on the Notes shall automatically convert into fully paid and non-assessable shares of the Preferred Stock issued in such financing at the price per share paid by the other participating investors in such financing.

NOTE G- CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and cash equivalents with a limited number of high quality financial institutions and at times may exceed the amount of insurance provided on such deposits.

NOTE H - RELATED PARTY TRANSACTIONS
