Amendment No. 2 to Form S-4 filed April 13, 2020

General

1. We note that the proxy statement/prospectus is missing information such as the number of shares of Xperi and TiVo common stock outstanding on the record date, the percentages held by directors and officers, the per share market price on page 26, and information about the HoldCo capital and preferred stock. Please include this information, and any other missing information, in a pre-effective amendment.
