(D) The Company's Business and Business Plan

Overview

Sail to Trail is an urban winery located in Worcester, Massachusetts. With additional capital, we will expand into a new location since we are outgrowing our current location and expanding the types of wines that we offer.

Sail to Trail WineWorks is the premier urban winery in New England, where vineyard vibes get an industrial edge. Goodbye wine country, hello wine city.

You might be wondering what's an urban winery. Think a brewery but instead of beer, we are serving great wine. It's not all about geeking out over wine, we are building a community and having fun doing it.

Just because Sail to Trail doesn't have all the trappings of high-end wine culture doesn't mean its tastes aren't high-end.

Wine comes from grapes. And great grapes are great grapes. Whether from East Blue Ball or Napa Valley, Sail to Trail considers them equal. Why? Because some of the best wines come from the places you may have never heard of. Sail to Trail filters out the crappy ones and gets the best ones directly to you.

Each of our limited-edition wines is the product of extensive research and time spent traveling the country to find the very best grapes—without bias, preconceived notions or old-school wine snobbery.

The Opportunity

By investing in Sail to Trail WineWorks, you will support a business that is defining the urban wine experience in New England.

- Proven Demand - We've already identified a loyal customer base in Worcester, Massachusetts through our initial launch in the historic Higgins Armory.
- Competitive Advantage - We are the only urban winery in the area that has created a unique tasting room experience while providing an excellent portfolio of bottled wine.

A Good Grape is a Good Grape: A Note FROM THE FOUNDER

Just because Sail to Trail doesn't have all the trappings of high-end wine culture doesn't mean its tastes aren't high-end.

Welcome to the brave new world of wine.

Our Story

In 2018, Chris noticed an untapped market - the urban winery. We have all seen wineries out in the country but why can't we have a great wine tasting experience in the city? The name refers to Worcester's unique geography allowing residents to hit the beach and the slopes all in one day.

Sail to Trail wines began with Simpson's experience in the corporate world as an engineer, with the consistent dream of starting his own business. "I spent a long time in the corporate space," Simpson said. "I realized that if I wanted to start my own business, it was now or never. One day, I was interviewing at a company on the South Shore and I was going to interview with CEO. I looked at his LinkedIn profile and saw that he was on the board of directors at a winery."

With his interest peaked, Simpson went on to check out that winery and on the website, there was information about the industry and it was then that it clicked. "I started to realize that this was an industry that I could get into," Simpson says.

"This industry is new for this area. The thought of bringing in varietals that are in demand to Worcester...I just kept peeling back the layers and thought, 'I could do this. The city would love it and it's the right time.'"

- If an investor does not cancel an investment commitment before the 48-hour period before the Offering Deadline, the funds will be released to the Company upon closing of the offering and the investor will receive securities in exchange for his or her investment.

(K) Material Changes

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. A material change could be good or bad. If a material change occurs after you make an investment commitment but before the Offering closes, then

the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” Many of the terms of the Notes are set forth in a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	2.5 - 3.6% ²
Payment Deadline	2027-01-01
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.8 x 1.4 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	Thirty (30) days after the last day of the calendar quarter ending not less than Sixty (60) days after the sharing start date.
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.75%

¹ as further defined in the note agreement

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 2.5% and a maximum rate of 3.6% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$75,000	2.5%
\$83,000	2.8%
\$91,000	3.0%
\$99,000	3.3%
\$107,000	3.6%

³ To reward early participation, the investors who contribute the first \$40,000.0 raised in the offering will receive a 1.8x cap. Investors who contribute after \$40,000.0 has been raised in the offering will receive a 1.4x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

The Company has no outstanding securities.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Christopher Simpson	100%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

MainVest will be paid 6.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

(P) Indebtedness of the Company

Creditor	Amount	Interest Rate	Maturity Date	Other Important Terms
