Non-GAAP Financial Measures, page 73

1. We note your response to comment 1. We see from your response that you will remove the non-recurring categorization for losses on purchase commitments and inventory write-downs in future filings. Please explain to us your consideration of the guidance in Item 10(e)(1)(ii)(b) of Regulation S-K and Question 100.01 of the Compliance and Disclosure Interpretations on Non-GAAP Financial Measures in determining why you believe these adjustments, which appear to be costs incurred in the ordinary course of your business, are appropriate.
