Notes to Statement of Financial Condition December 31, 2021

1. Organization and Business

BluePath Capital LLC, (the “Company”), a wholly-owned subsidiary of BluePath Finance Inc., is a limited liability company organized under the laws of the state of Delaware. The Company is a broker-dealer and as such is registered with the Securities and Exchange Commission (the “SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company’s operations consist of private placement of securities.

2. Summary of Significant Accounting Policies

Basis of Presentation

This financial statement was prepared in conformity with accounting principles generally accepted in the United States of America which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and cash equivalents

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for federal income tax reporting purposes. The Internal Revenue Code provides that any income or loss is passed through to the ultimate beneficial individual members for federal, state and certain local income taxes. Accordingly, the Company does not record a provision for federal or state income taxes.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Company to report information regarding its exposure to various tax positions taken by the Company. The Company has determined whether any tax positions have met the recognition threshold and has measure the Company's exposure to those tax positions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Company are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements. At December 31, 2021, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

BluePath Capital LLC

Notes to Statement of Financial Condition December 31, 2021

3. Transactions with Related Parties

The Company has entered into an Expense Sharing Agreement (“ESA”) with BluePath Finance Inc. (the “Parent”) whereby the Parent is to provide office and administrative services, payroll and professional services. Shared costs are allocated based on the ESA between the two companies. The Company will not reimburse the Parent for any of the costs the Parent has attributed to and paid on behalf of the Company. The ESA has a term of one year and is automatically renewed annually, unless terminated or modified by written notice.

The terms of these arrangements may not be the same as those that would otherwise exist or result from agreements and transactions among unrelated parties.

4. Regulatory Requirements

The Company is subject to the SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2021, the Company had net capital of approximately \$154,500 which exceeded the required net capital by approximately \$149,500.

The Company does not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3, and relies on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to referring securities transactions to other broker-dealers. The Company does not handle cash or securities on behalf of customers.

5. Risks and Uncertainties

During the 2020 calendar year, the World Health Organization has declared COVID-19 to constitute a “Public Health Emergency of International Concern”. This pandemic has disrupted economic markets and the economic impact, duration and spread of the COVID-19 virus is uncertain at this time. The financial performance of the Company is subject to future developments related to the COVID-19 outbreak and possible governmental advisories and restrictions placed on the financial markets and business activities. The impact on financial markets and the overall economy, all of which are highly uncertain, cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Company’s results may be materially affected. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

6. Subsequent Events

The Company has evaluated subsequent events through the date this financial statement was issued. No events were noted which would require adjustments or disclosure in the footnotes to the financial statement.
