

TeenJobFind

Connecting *Adults* who need help, with local
neighborhood *Teens* who want to *make money*,
and *enhance their future!*

The Problem

Finding help for household tasks:
Stressful, Scary, Risky, Expensive
and **Time Consuming**

Gigs for Teens?

Adults participate in the gig economy (Uber, Lyft, Etsy, etc).

Why not teens?

Teens can do:

- ★ Tech Support ✓
- ★ Yardwork ✓
- ★ Dog walking ✓
- ★ Help with Moving ✓
- ★ Party Prep ✓
- ★ Car Washing ✓
- ★ Household Physical Labor ✓
- ★ Babysitting ✓

This is an UNTAPPED market with Massive Growth Potential.

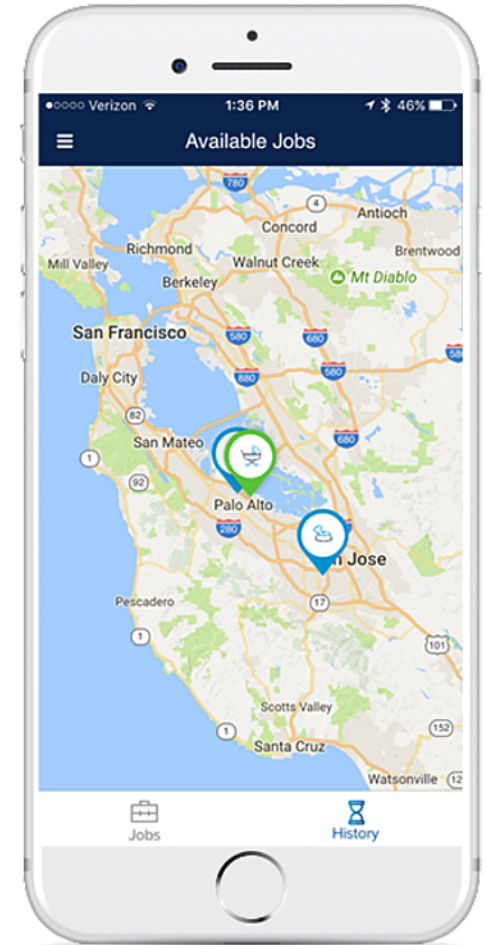

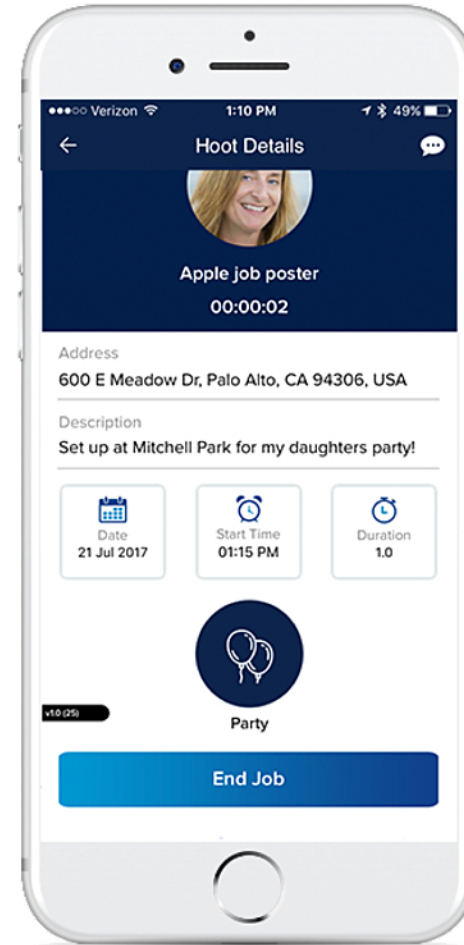

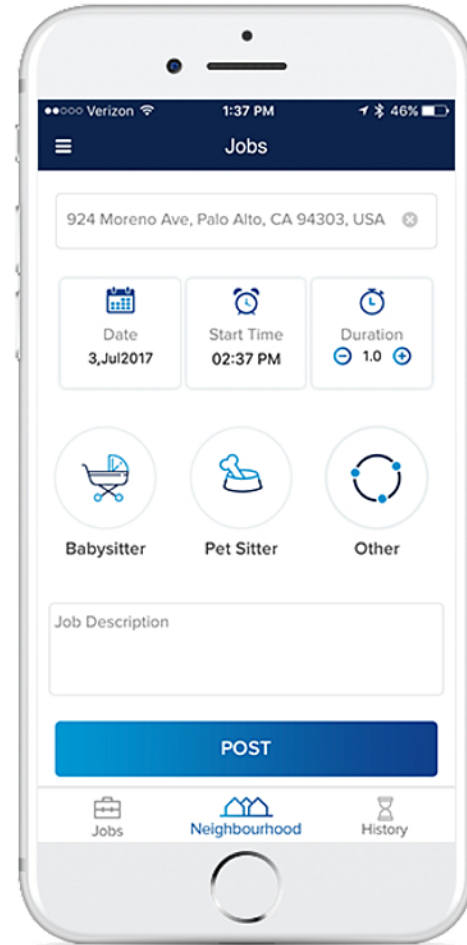

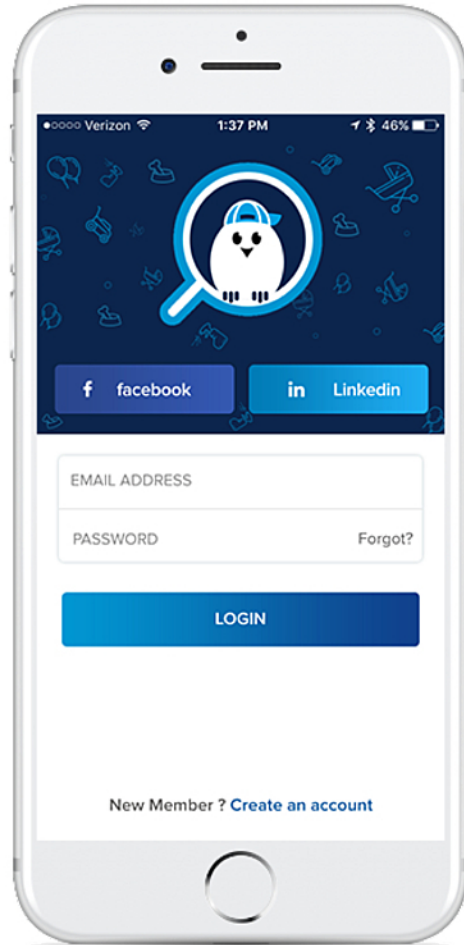

A **mobile app** that provides a safe and easy solution to connect job posters with local teens in and around their neighborhood

Teen**Job**Find

User Experience

The Fourth Industrial Revolution

Freelance workforce is **growing 3x faster** than the overall U.S. workforce

Majority of people will be working independently by 2027.

The “gig economy” currently **\$3.7 trillion** and growing. (CNBC 2018)

Teen Freelance Workforce = Untapped
NOW is the Time to Capture this Market!

Potential Revenue Sources

TeenJobFind will take a small % of every transaction on the platform

TeenJobFind charges the job poster, not the teen

Premium features for job posters such as highlighted and bold job posting. Ability to request a specific teen or chose from more than 1 applicant

Monetize high quality user data for advertising : demographics, movements, recreational activities, social connections, etc.

Proven Method for User Acquisition

In a study conducted by **Harvard Business school** in **2016** they determined that successful 2 sided platform companies shared a **similar growth strategy**.

AirBnB, Uber, and Etsy

TeenJobFind

Recognize the Need and think like the customer	Identified the stress of finding help for household chores.
Create a better experience	Created a platform that matches Adults who need help, with local neighborhood Teens .
Be strategic about Sequencing	We started with a slow soft launch to work out bugs and focus on building the best growth strategy.

2019 Value

AirBnB

\$31B

Uber

\$120B

Etsy

\$7.82B

Soft Launch:

In a limited test in Palo Alto, CA:

- ▶ Developed the Application
- ▶ Launched the Web Site
- ▶ Began sharing the idea to local Adults and Teens (word of mouth).
- ▶ Solicited feedback

Our Top 5 Markets : CA, TX, NY, FL, IL

In 12 months, we acquired nearly 2% of the local population.

No formal marketing push during this soft launch.

Unprecedented Growth

Steady positive growth since its genesis with nearly **0 marketing efforts**.

As of August we have over 76,000 users on the early access wait list.

Our Job Postings

Consistent growth in usage.

**~85% of our users have
posted more than 3 times.**

Safety First - Strictest Safety Regulations

Adults:

All adults thoroughly screened against local and federal law enforcement databases to ensure teen safety.

Teens:

Teens must provide teacher references and parental oversight. Student or State ID required.

Go To Market Strategy

Top 5 Markets : CA, TX, NY, FL, IL

APPROACH MARKETS Penetrate one market at a time	PHASE 1 SoCal - largest wait list in CA Social media campaign targeting Female population 40 and older (Avg. user and highest converting) Start with \$2k per month	PHASE 2 Use Wait list to drive cities surrounding SF, LA and SD (email campaign) Use the waitlist to drive direction, utilize existing networks & hire local ambassador/PR to connect with community
USERS Augment existing real world networks	Utilize ambassadors/Marketing PR rep to convert NextDoor users, & area social media groups etc. Corporate partnerships that align with existing user bases. Rev share potential	Expand network of communities, increase Corporate partnerships Promote viral growth with incentives and social media
CHANNELS Identify mavens who care about our issue	Utilize person connections to connect with community Revyrie – SEO expertise and digital marketing strategy	Promote with schools, clubs, retirement communities as a means of improving local community. Strategic partnerships with Banks, non-profits (United Way, Girls and Boys clubs etc) to help increase revenue and expand user base

Growth Strategy

Digital ad spend across Facebook / Instagram to determine key behaviors / interests / location of our users
Determine and Lower CPC throughout the first 90 day spend

Go to areas where we have existing customers on wait list
Open marketplace nationally thereafter

BUILDING CONCENTRATION

Start outreach to next city (Los Angeles, San Diego)

GROWTH RESULTS

Data analysis and user feedback to help pivot the functionality while in public beta

PREMIUM FEATURES

Deploy additional feature sets, upsales for job posters

CREATE A PERSONAL AND LOYAL COMMUNITY

Launch and monthly events with strategic partnerships

Potential Partnerships

Major Bank (Citibank, Bank of America):

Direct access for teens that don't yet have a bank account

Retirement Networks (Honor, AARP)

Many of our repeat customers are 65+ living alone

Community elder clubs (Elks, Lion's Club, Gardening clugs etc)

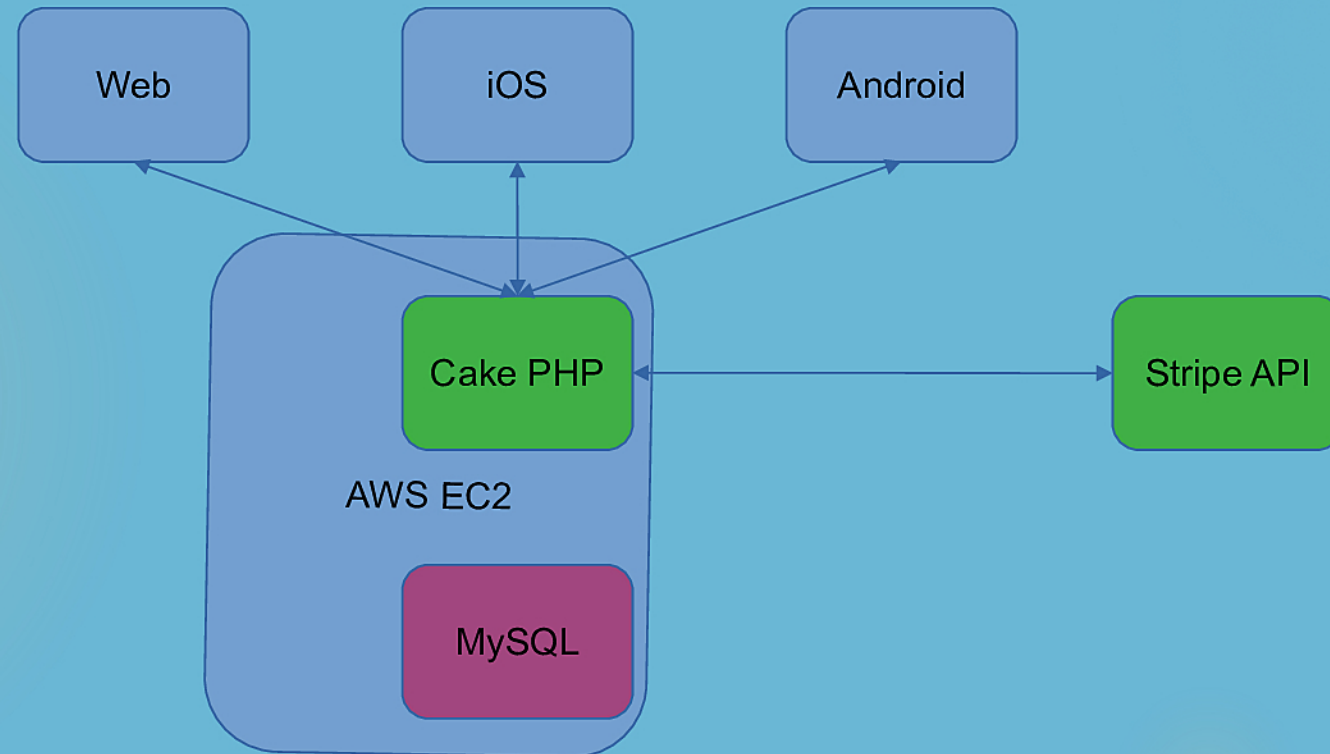

Direct access to those likely to post jobs

Non-Profit Partnerships (United Way, Boys and Girls Clubs of America)

Partnering with trusted, family based networks will increase our user base and solidify our trusted brand
