Amendment 1 to Form 10-Q for the quarterly period ended June 30, 2024

Financial Information, page 3

1. Please revise and ensure that each column of the restated financial statements are labeled as "restated" on the face of each respective financial statement.

Note 3. Summary of Significant Accounting Policies & Use of Estimates, page 10

2. We note your response to prior comments 7 and 9 and the revised disclosure on page 10 that you had a change in policy where G&A expense is being treated as a form of compensation to the shareholder as opposed to a distribution to an affiliate company beginning in 2024. It does not appear that these transactions qualify as voluntary changes in accounting policies or principles in 2023 compared to 2024. Please tell us why you believe the salary, sales and marketing costs of Fonon Corporation paid by the Company should be recorded in G&A expenses referencing authoritative literature that supports

your conclusion.

As required, please file the Item 4.02 Form 8-K reporting the errors and restatements in your 2023 and 2024 annual and interim reporting periods.
