At Ease Rentals Corp.

Convertible Promissory Note

Series 2020

FOR VALUE RECEIVED At Ease Rentals Corp., a Delaware corporation (the “**Company**”), promises to pay to [Investor] (the “**Holder**”, and together with all other Series 2020 Convertible Promissory Note holders, “**Holders**”) the principal amount of \$[Principal] (the “**Principal Amount**”) with simple interest on the outstanding Principal Amount at the Interest Rate, subject to the terms set forth below. Interest shall commence with the date hereof and shall continue on the outstanding Principal Amount until paid in full or converted. Interest shall be computed on the basis of a year of 365 days for the actual number of days elapsed. All unpaid interest and principal shall be due and payable on the Maturity Date.

The “**Discount**” is 20%.

The “**Interest Rate**” is 6%.

The “**Maturity Date**” is the close of the 36th month after Offering End Date.

The “**Valuation Cap**” is \$5,000,000.

See Section 3 for certain additional defined terms.

1. Basic Terms

(a) **Series of Notes.** This Convertible Promissory Note (the "**Note**") is issued as part of a series of notes designated above (collectively, the "**Notes**"), and having an aggregate principal amount not to exceed \$500,000 and issued in a series of one or more closings to certain persons and entities (collectively, the "**Holders**"). The Company shall maintain a ledger of all Holders.

(b) **Payments.** All payments of interest and principal shall be in lawful money of the United States of America and shall be made pro rata among all Holders. All payments shall be applied first to accrued interest, and thereafter to principal.

(c) **Prepayment.** The Company may not prepay this Note prior to the Maturity Date without the Majority Consent of the Holders.

2. Conversion and Repayment

(a) **Conversion Upon a Qualified Financing.** In the event that the Company issues and sells shares of its equity securities ("**Equity Securities**") to investors (the "**Investors**") while this Note remains outstanding in an equity financing with total proceeds to the Company of not less than \$1,500,000 (excluding the conversion of the Notes or other convertible securities issued for capital raising purposes (e.g., Simple Agreements for Future Equity)), including any IPO (a "**Qualified Financing**"), then the outstanding Principal Amount of this Note and any unpaid accrued interest shall automatically convert in whole without any further action by the Holder into Equity Securities sold in the Qualified Financing at a conversion price equal to the lesser of (i) Discount Price and (ii) the Valuation Cap Price, whichever calculation results in a greater number of shares of Capital Securities (the "**Conversion Price**"). The issuance of Equity Securities pursuant to the conversion of this Note shall be upon and subject to the same terms and conditions applicable to Equity Securities sold in the Qualified Financing. Notwithstanding this paragraph, the Company may, solely at its option, elect to convert this Note into shares of a newly created NS Shadow Series.

(b) **Maturity Date Conversion.** In the event that this Note remains outstanding on the Maturity Date, then the outstanding Principal Amount of this Note and any unpaid accrued interest shall, upon the election of the Holder given prior to the Maturity Date, convert as of the Maturity Date into a newly created series of the Company's Preferred Securities on the terms and conditions set forth on Exhibit B at a conversion price equal to the Valuation Cap Price.

(c) **Change of Control.** If the Company consummates a Change of Control while this Note remains outstanding, the Company shall repay the Holder in cash in an amount equal to the outstanding principal amount of this Note plus any unpaid accrued interest on the original principal; provided, however, that upon the written election of the Holder made not less than five days prior to the Change of Control, the Company shall convert the outstanding principal balance of this Note and any unpaid accrued interest into shares of the Company's Common Securities at a conversion price equal to the Valuation Cap Price. The Company shall give the Holder notice of a Change of Control not less than ten days prior to the anticipated date of consummation of the Change of Control. Any

repayment pursuant to this paragraph in connection with a Change of Control shall be subject to any required tax withholdings, and may be made by the Company (or any party to such Change of Control or its agent) following the Change of Control in connection with payment procedures established in connection with such Change of Control.

(d) **Procedure for Conversion.** In connection with any conversion of this Note into Capital Securities, the Holder shall surrender this Note to the Company and deliver to the Company any documentation reasonably required by the Company (including, in the case of a Qualified Financing, all financing documents executed by the Investors in connection with such Qualified Financing). The Company shall not be required to issue or deliver the Capital Securities into which this Note may convert until the Holder has surrendered this Note to the Company and delivered to the Company any such documentation. Upon the conversion of this Note into Capital Securities pursuant to the terms hereof, in lieu of any fractional shares to which the Holder would otherwise be entitled, the Company shall pay the Holder cash equal to such fraction multiplied by the price at which this Note converts.

(e) **Interest Accrual.** If a Change of Control or Qualified Financing is consummated, all interest on this Note shall be deemed to have stopped accruing as of a date selected by the Company that is up to 10 days prior to the signing of the definitive agreement for the Change of Control or Qualified Financing.

3. *Events*

(a) **Equity Financing.**

(i) If an Equity Financing occurs before this instrument converts or matures in accordance with Sections 2(a)-(d) (“**First Equity Financing**”), the Company shall notify the Investor of the closing of the First Equity Financing and of the Company’s discretionary decision to either (1) continue the term of this Note without converting the Principal Amount plus any unpaid accrued interest to Capital Securities; or (2) issue to the Investor a number of units of the NS Shadow Series of the Capital Securities (whether Preferred Securities or another class issued by the Company), as applicable, sold in the First Equity Financing. The number of shares of the NS Shadow Series of such Capital Securities shall equal the quotient obtained by dividing (x) the Principal Amount plus any unpaid accrued interest by (y) the applicable Conversion Price (such applicable Conversion Price, the “**First Equity Financing Price**”).

(ii) If the Company elects to continue the term of this Note past the First Equity Financing and another Equity Financing occurs before this instrument converts or matures in accordance with Sections 2(a)-(d) (each, a “**Subsequent Equity Financing**”), the Company shall notify the Investor of the closing of the Subsequent Equity Financing and of the Company’s discretionary decision to either (1) continue the term of this Note without converting the Principal Amount plus any unpaid accrued interest to Capital Securities; or (2) issue to the Investor a number of units of the NS Shadow Series of the Capital Securities (whether Preferred Securities or another class issued by the Company), as applicable, sold in the Subsequent Equity Financing. The number of shares of the NS Shadow Series of the Capital Securities shall equal the quotient obtained by dividing (x) the Principal Amount plus any unpaid accrued interest by (y) the First Equity Financing

Price.

(b) **Liquidity Event.**

(i) If there is a Liquidity Event before the termination of this instrument and before any Equity Financing, the Investor will, at its option, either (i) receive a cash payment equal to the Principal Amount plus any unpaid accrued interest on the original principal (subject to the following paragraph) or (ii) automatically receive from the Company a number of shares of Common Securities equal to the Principal Amount plus any unpaid accrued interest divided by the Liquidity Price, if the Investor fails to select the cash option. In connection with this Section 3(b)(i), the Principal Amount plus any unpaid accrued interest will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay the Investor and holders of other Notes (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed with equal priority and pro rata among the Cash-Out Investors in proportion to their Principal Amounts plus any unpaid accrued interest.

(ii) If there is a Liquidity Event after one or more Equity Financings have occurred but before the termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to the Principal Amount plus any unpaid accrued interest (as described in the foregoing paragraph) or (ii) automatically receive from the Company a number of units of the most recent issued Capital Securities (whether Preferred Securities or another class issued by the Company) equal to the Principal Amount plus any unpaid accrued interest divided by the First Equity Financing Price, if the Investor fails to select the cash option. Shares of Capital Securities granted in connection therewith shall have the same liquidation rights and preferences as the shares of Capital Securities issued in connection with the Company’s most recent Equity Financing.

(c) **Dissolution Event.** If there is a Dissolution Event before this instrument terminates in accordance with Sections 3(a) or 3(b), subject to the preferences applicable to any series of Preferred Securities, the Company will distribute its entire assets legally available for distribution with equal priority among the (i) Investors (on an as converted basis based on a valuation of Common Securities as determined in good faith by the Company’s board of directors at the time of Dissolution Event), (ii) all other holders of instruments sharing in the assets of the Company at the same priority as holders of Common Securities upon a Dissolution Event and (iii) and all holders of Common Securities.

(d) **Termination.** This instrument will terminate (without relieving the Company or the Investor of any obligations arising from a prior breach of or non-compliance with this instrument) upon the earlier to occur: (i) the conversion of the Note pursuant to Section 2(a)-(d); (ii) the issuance of units in the NS Shadow Series or Common Securities to the Investor pursuant to Section 3(a) or Section 3(b); or (iii) the payment, or setting aside for payment, of amounts due to the Investor pursuant to Sections 3(b) or 3(c).

(b) **Corporate Power.** The Company has all requisite corporate power to issue this Note and to carry out and perform its obligations under this Note. The Company's governing body has approved the issuance of this Note based upon a reasonable belief that the issuance of this Note is appropriate for the Company after reasonable inquiry concerning the Company's financing objectives and financial situation.

(b) **Limitations on Disposition.** The Holder has been advised that this instrument and the underlying securities have not been registered under the Securities Act or any state securities laws and are offered and sold hereby pursuant to certain exemptions from registration under the Securities Act. The Holder understands that neither this instrument nor the underlying securities may be resold or otherwise transferred unless they are registered under the Securities Act and applicable state securities laws or pursuant to other Securities Act provisions, in which case certain state transfer restrictions may apply.

(c) **Purchase for Own Account; Non-Registration.** The Holder is purchasing this instrument and the securities to be acquired by the Holder hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Holder has no present intention of selling, granting any participation in, or otherwise distributing the same. Each Holder understands that the Securities have not been, and

will not be, registered under the Securities Act or any state securities laws, by reason of specific exemptions under the provisions thereof which depend upon, among other things, the bona fide nature of the investment intent and the accuracy of each Holder's representations as expressed herein.

(d) **Regulation CF Limitation.** To the extent applicable, the Holder acknowledges, and is purchasing this instrument in compliance with, the investment limitations set forth in Rule 100(a)(2) of Regulation CF, promulgated under Section 4(a)(6)(B) of the Securities Act.

In deciding to purchase this instrument, the Holder is not relying on the advice or recommendations of the Company or of NextSeed Securities, LLC (or its affiliates) and the Holder has made its own independent decision that an investment in this instrument and the underlying securities is suitable and appropriate for the Holder. The Holder understands that no federal or state agency has passed upon the merits or risks of an investment in this instrument and the underlying securities or made any finding or determination concerning the fairness or advisability of this investment.

(f) **Limited Rights.** The Holder understands and acknowledges that as a Holder of the Note, the Holder shall have no voting, information or inspection rights, aside from any disclosure requirements the Company is required to make under relevant securities regulations.

(h) **Foreign Investors.** If the Holder is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Holder hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for this instrument, including (a) the legal requirements within its jurisdiction for the purchase of this instrument; (b) any foreign exchange restrictions applicable to such purchase; (c) any governmental or other consents that may need to be obtained; and (d) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, conversion, redemption, sale, or transfer of this instrument. The Holder's subscription and payment for and continued beneficial ownership of this instrument and the underlying securities will not violate any applicable securities or other laws of the Holder's jurisdiction. The Holder acknowledges that the Company has taken no action in foreign jurisdictions with respect to this instrument and the underlying securities.

(i) **Review of Disclosure Materials.** Each Holder further acknowledges that it has read, understood, and had ample opportunity to ask Company questions about its business plans, "Risk

Factors”, and all other information presented in the Company’s Form C and the offering documentation filed with the SEC.

(j) **Likelihood of Total Loss.** Each Holder represents that the Holder understands the substantial likelihood that the Holder will suffer a **TOTAL LOSS** of all capital invested, and that Holder is prepared to bear the risk of such total loss.

7. Events of Default

(a) If there shall be any Event of Default (as defined below) hereunder, at the option and upon the receipt of Majority Consent from the Holders, and upon written notice to the Company (which election and notice shall not be required in the case of an Event of Default under Section 7(a)(ii) or 7(a)(iii) below), this Note shall accelerate and all principal and unpaid accrued interest shall become due and payable. The occurrence of any one or more of the following shall constitute an **"Event of Default"**:

(i) The Company fails to pay timely any of the principal amount due under this Note on the date the same becomes due and payable or any unpaid accrued interest or other amounts due under this Note on the date the same becomes due and payable;

(ii) The Company files any petition or action for relief under any bankruptcy, reorganization, insolvency or moratorium law or any other law for the relief of, or relating to, debtors, now or hereafter in effect, or makes any assignment for the benefit of creditors or takes any corporate action in furtherance of any of the foregoing; or

(iii) An involuntary petition is filed against the Company (unless such petition is dismissed or discharged within 60 days under any bankruptcy statute now or hereafter in effect, or a custodian, receiver, trustee or assignee for the benefit of creditors (or other similar official) is appointed to take possession, custody or control of any property of the Company).

(b) In the event of any Event of Default hereunder, the Company shall pay all reasonable attorneys' fees and court costs incurred by the Holder in enforcing and collecting this Note.

8. Transfer Restrictions

(a) The Holder hereby agrees that during the Lock-up Period it will not, without the prior written consent of the managing underwriter: (A) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any units of Capital Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Capital Securities (whether such shares or any such securities are then owned by the Holder or are thereafter acquired); or (B) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities; whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Capital Securities or other securities, in cash, or otherwise.

(b) The foregoing provisions of Section 8(a) will: (x) apply only to the IPO and will not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement; (y) not apply to the transfer of any shares to any trust for the direct or indirect benefit of the Holder or the immediate family of the Holder, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer will not involve a disposition for value; and (z) be applicable to the Holder only if all officers and directors of the Company are subject to the same restrictions and the Company uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning more than 5% of the outstanding Common Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Securities. Notwithstanding anything herein to the contrary, the underwriters in connection with the IPO are intended third-party beneficiaries of Section 8(a) and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto. The Holder further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with the IPO that are consistent with Section 8(a) or that are necessary to give further effect thereto.

(c) In order to enforce the foregoing covenant, the Company may impose stop transfer instructions with respect to the Holder's registrable securities of the Company (and the Company shares or securities of every other person subject to the foregoing restriction) until the end of the Lock-up Period. The Holder agrees that a legend reading substantially as follows will be placed on all certificates representing all of the Holder's registrable securities of the Company (and the shares or securities of the Company held by every other person subject to the restriction contained in Section 8(a)):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LOCK-UP PERIOD BEGINNING ON THE EFFECTIVE DATE OF THE COMPANY'S REGISTRATION STATEMENT FILED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AS SET FORTH IN AN AGREEMENT BETWEEN THE COMPANY AND THE ORIGINAL HOLDER OF THESE SECURITIES, A COPY OF WHICH MAY BE OBTAINED AT THE COMPANY'S PRINCIPAL OFFICE. SUCH LOCK-UP PERIOD IS BINDING ON TRANSFEREES OF THESE SECURITIES.

(d) Without in any way limiting the representations and warranties set forth in Section 6 above, the Holder further agrees not to make any disposition of all or any portion of this instrument or the underlying securities unless and until the transferee has agreed in writing for the benefit of the Company to make the representations and warranties set out in Section 6, the undertaking set out in Section 8(a) and any other agreements to which the Holder is a party and:

(i) There is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(ii) The Holder shall have notified the Company of the proposed disposition and shall have furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition and, if reasonably requested by the Company, the Holder shall have furnished

the Company with an opinion of counsel reasonably satisfactory to the Company that such disposition will not require registration of such shares under the Securities Act.

(e) Without in any way limiting the other transfer restrictions set forth in this Section 8, the Holder agrees that it shall not make any disposition of this instrument or any underlying securities to any of the Company's competitors, as determined by the Company in good faith.

(f) Without in any way limiting the other transfer restrictions set forth in this Section 8, the Holder agrees not to make any transfer or disposition of all or any portion of this instrument or the underlying securities during the one-year period beginning when this instrument or the underlying securities are issued, unless transferred: (i) to the Company; (ii) to an "accredited investor" as defined in Rule 501(a) of Regulation D; (iii) as part of an offering registered with the SEC; or (iv) to a member of the family of the investor or the equivalent, to a trust controlled by the Holder, to a trust created for the benefit of a member of the family of the Holder or the equivalent, or in connection with the death or divorce of the Holder or other similar circumstance.

Exhibit A – NS Shadow Series Proxy

Irrevocable Proxy

Reference is hereby made to a certain Convertible Promissory Note (the “**Note**”) between At Ease Rentals Corp., a Delaware corporation (the “**Company**”) and the Investor identified on the signature page hereto (“**Investor**”). In connection with a conversion of Investor’s investment in the Note into Preferred Securities of a NS Shadow Series (as defined in the Note) pursuant to the Note, the Investor and NextSeed Services LLC (the “**Proxyholder**”) hereby agree as follows:

1. Grant of Irrevocable Proxy.

- (a) With respect to all Preferred Securities of NS Shadow Series owned by the Investor as of the date of this Irrevocable Proxy or any subsequent date (the “**Interests**”), Investor hereby grants to Proxyholder an irrevocable proxy, coupled with an interest, to vote the Interests in any manner that the Proxyholder may determine in its sole and absolute discretion. For the avoidance of doubt, the Proxyholder, as the holder of this irrevocable proxy (rather than the Investor) will vote the Interests with respect to all meetings of equity holders and other actions (including actions by written consent in lieu of a meeting) on which holders of Interests may be entitled to vote. The Proxyholder hereby agrees to vote all Interests consistently with the majority of the Preferred Securities on which the NS Shadow Series is based. This proxy revokes any other proxy granted by the Investor at any time with respect to the Interests.
- (b) The Proxyholder shall have no duty, liability or obligation whatsoever to the Investor arising out of the Proxyholder’s exercise of this irrevocable proxy. The Investor expressly acknowledges and agrees that (i) the Investor will not impede the exercise of the Proxyholder’s rights under this irrevocable proxy and (ii) the Investor waives and relinquishes any claim, right or action the Investor might have, as an equity holder of the Company or otherwise, against the Proxyholder or any of its affiliates or agents (including any directors, officers, managers, members, and employees) in connection with any exercise of the irrevocable proxy granted hereunder.
- (c) This irrevocable proxy shall expire as to those Interests on the earlier of (i) the date that such Interests are converted into Common Securities of the Company or (ii) the date that such Interests are converted to cash or a cash equivalent, but shall continue as to any Interests not so converted.

2. Legend. The Investor agrees to permit an appropriate legend on certificates evidencing the Interests or any transfer books or related documentation of ownership reflecting the grant of the irrevocable proxy contained in the foregoing Section 1.

3. Representations and Warranties. The Investor represents and warrants to the Proxyholder as follows:

- (a) The Investor has the all necessary rights, power and authority to execute, deliver and perform his obligations under this Irrevocable Proxy. This Irrevocable Proxy has been duly executed and delivered by the Investor and constitutes such Investor's legal and valid obligation enforceable against the Investor in accordance with its terms.
- (b) The Investor is the record owner of the Interests and the Investor has plenary voting and dispositive power with respect to such Interests; the Investor owns no other equity of the Company; there are no proxies, voting trusts or other agreements or understandings to which such Investor is a party or bound by and which expressly require that any of the Interests be voted in any specific manner other than pursuant to this irrevocable proxy. The Investor has not entered into any agreement or arrangement inconsistent with this irrevocable proxy.

4. Equitable Remedies. The Investor acknowledges that irreparable damage would result if this irrevocable proxy is not specifically enforced and that, therefore, the rights and obligations of the Proxyholder may be enforced by a decree of specific performance issued by arbitration pursuant to the Note, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, not be exclusive and shall be in addition to any other remedies that the Proxyholder may otherwise have available.

5. Defined Terms. All terms defined in this irrevocable proxy shall have the meaning defined herein. All other terms will be interpreted in accordance with the Note.

6. Amendment. Any provision of this instrument may be amended, waived or modified only upon the written consent of the Investor and the Proxyholder.

7. Assignment.

- (a) In the event the Investor wishes to transfer, sell, hypothecate or otherwise assign any Interests, the Investor hereby agrees to require, as a condition of such action, that the counterparty or counterparties thereto must enter into a proxy agreement with the Proxyholder substantially identical to this irrevocable proxy.
- (b) The Proxyholder may transfer its rights under this instrument after giving prior written notice to the Investor and the Company.

8. Severability. In the event any one or more of the terms or provisions of this instrument is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the terms or provisions of this instrument operate or would prospectively operate to invalidate this instrument, then such term(s) or provision(s) only will be deemed null and void and will not affect any other term or provision of this instrument and the remaining terms and provisions of this instrument will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

IN WITNESS WHEREOF, the undersigned have caused this instrument to be duly executed and delivered.

Exhibit B – Terms of Series Preferred Securities

Securities: A newly created series of Preferred Securities (the "Series Preferred")

Liquidation preference: In the event of a liquidation, dissolution or winding up of the Company, the Series Preferred will have the right to receive the Conversion Price prior to any distribution to the Common Securities. The remaining assets will be distributed pro rata to the holders of Common Securities. A sale of all or substantially all of the Company's assets or a merger or consolidation of the Company with any other company will be treated as a liquidation of the Company.

Conversion: The Series Preferred may be converted at any time, at the option of the holder, into shares of Common Securities. The conversion rate will initially be 1:1, subject to customary adjustments.

Automatic conversion: Each share of Series Preferred will automatically convert into Common Securities, at the then applicable conversion rate, upon (i) the Company's IPO, or (ii) the consent of the holders of at least a majority of the then outstanding shares of Series Preferred.

Voting rights: Series Preferred holders shall have no voting rights and shall not be entitled to vote on any matter that is submitted to a vote or for the consent of the equity holders of the Company. Each of the Series Preferred holders shall enter into a proxy agreement, substantially in the form of Exhibit A attached hereto, subject to necessary adjustments, appointing the Proxyholder (as defined therein) as its irrevocable proxy with respect to any matter to which Series Preferred holders are entitled to vote by law. Entering into such proxy agreement is a condition of receiving Series Preferred and such agreement provides that the Proxyholder will vote with the majority of the holders of the relevant class of the Company's Capital Securities on any matters to which the proxy agreement applies.
